**Sawmill Defeats All Stars 8 To 3 In A Thrilling Game**

The Championship Sawmill nine of the O.-A. Twilight league took an all star team, made up of supposedly the best players from the other three teams in this league, into camp Tuesday night and beat them 8 to 3. The sawmill gang thus proved that they were not only the best team in the league but further demonstrated that they were better than any combination of players picked from the rest of the league. It has been the heavy stick work of the sawmill aggregation that has kept them up in front from the start to the finish. Their only close game during the season was with the planer shavers when they played them the first time and nosed them out by a 2 to 1 score. However, they wiped this close score off the books when they handed them a 9 to 0 blanking the next time they played the planer nine. In this game Tuesday the "sawyers" opened their bombardment in the first inning when Laird was walked, stole second, was sacrificed to third by Linn and came home on a single by Ferren. They added two more on a single by McGregor and a triple by Boerner. Boerner, incidentally was the star of the day when it came to hot work for he collected four safeties in four trips to the plate. The All Star gang tied the contest up in the second inning when the sawmill outfit temporarily blew up and let in three runs when Taylor was hit by a pitched ball, a two bagger by Greenman and errors by Gibson, Ferren and Brady, accounting

for the tallies. The score remained thus until the sixth when the "sawyers" shoved across another marker on a single by Boerner and a double by Gibson. They added four more for good measure in the seventh on singles by Ferren, Boerner and Drorbaugh and walks to Laird and McGregor. The box score of Tuesday's game follows:

Sawmill	AB	R	H	PO	A	E
Laird SS	2	2	0	0	2	0
