MRS. COLE ENTERTAINS STUDY CLUB

Mrs. M. D. Cole entertained the members of the Vernonia Study club at an exquisite one o'clock birthday luncheon at her home last Thursday afternoon. A color scheme of red and green was carried out throughout the luncheon. A beautiful bouquet of red carnations made an attractive center for the big table. The shades were drawn and large red candles lighted the tables. The luncheon consisted of fruit cocktail, potato salad, baked ham, beets, relish in little green containers, hot rolls, ice cream, birthday cake, coffee and nuts and red mints in little red baskets. The birthday cake had 24 candles in green holders and these candles were lighted during the luncheon.

After the luncheon the regular meeting was called to order by the president, Mrs. Cole. Those present guessed who was their birthday friend and names were again exchanged for the coming year.

The program in charge of Mrs. E. E. Garner, proved most interesting and included a piano solo by Mrs. C. Richardson, hango solo by Dorothy June Wolff, a very enlightening talk on "the North," by Mrs. S. A. Martin, of Churchill, Manitoba, and a duet by Mrs. Judd Greenman and Mrs. E. E. Yeo. Roll call was answered with current events on Canada.

The name Firestone is on every tire Firestone makes. They do not make tires under Special Brand names for mail order houses or other distributors. Such tires are made by some unknown manufacturer and sold under a name that does not identify him to the public, usually because he builds his first line tires under his own name.
