**Miss Krause Marries Otto Jaeger**

Miss Pearl Krause, teacher in the Lincoln school for the past four years and principal during the last year, was married at Sherwood June 6 to Otto Jaeger.

The local paper gives the following account of the wedding:

A pretty lawn wedding took place Saturday, June 6, at 2 o'clock at the home of Mr. and Mrs. Herman Krause of Hood View, when their daughter, Miss Pearl Krause, became the bride of Mr. Otto Jaeger, son of Mr. and Mrs. Gus Jaeger.

Rev. Barber of Forest Grove read the ceremony before an arched bower of cedar and roses.

The bride who was given in marriage by her father wore a gown of white net lace with a wreath of orange blossoms in her hair. She carried a shower bouquet of white carnations.

Miss Menga Batalgia, as bridesmaid, wore a gown of pale pink chiffon, with hat to match and carried an arm bouquet of pink carnations.

Mr. Frank Krause, brother of the bride, acted as best man. Little Lois Jean Murray was flower girl.

Preceding the ceremony Miss Alice Eaton of Vancouver, Wn., sang "At Dawning," accompanied by Miss Neva Ruppel, of Portland, who also played the wedding march. A reception was held immediately following the ceremony. The young couple then left for a short wedding trip after which time they will make their home near Wilsonville.

The entire community joins in wishing them much joy and happiness.

**County 4-H Clubs In Air Program**

(Continued from page 1.)

successful achievement. There is much to achieve, for, each year in Columbia county, there is a County Fair in which one building is set aside expressly for 4-H clubs. Not only is the completed work exhibited there, but demonstrations concerning their projects are given by the club members. Premiums awarded are great inducements for diligent work. Besides, the displays in this building there are livestock barns, where the livestock of the club members is exhibited and judged. The winners at the County Fair are entitled to a trip to the State Fair or the Pacific Livestock Exposition. Whoever is winner in the state is privileged to attend the Exposition in Chicago.

"Last year a short program was presented by the club members at the Columbia County Fair, it was greatly enjoyed, and because of its success, a more extensive one has been planned this year. The club members will entertain in front of the grandstand with colorful folk dances and marches. Each member is welcome to take part in this program, which will probably take two hours or more to present.

"Several interesting achievement day programs were held in Columbia county this year. Achievement Day means much to club members, for it is the day when merit is received for work which has been done. The parents and friends of the members are invited on this day to inspect the completed work, and enjoy the demonstrations which are given. They are days full of interest and enjoyment, and those which are looked forward to by all 4-H club members.

"By working together in these clubs, friendship and good fellowship are stimulated, as we each strive to live up to the ideals maintained by the members.

"This summer school at Corvallis is but another one of the delightful features of club work,

The Optimists

and it is by the united efforts of the members of each club that they were able to send delegates from Columbia county to this school. Candy sales and parties were given in order that they might send one of their number there. Although this is one of the enjoyable interests of club work, the greatest feature is the fact that we gain practical knowledge from our club work, which will be a benefit to us all our life, directing us healthfully and happily to a cherished goal.

A short talk was made by Mrs. Pearl Becker, as follows: "It is great to temporarily be mother to the 17 boys and girls and it is a pleasure to be with them. Like true Club boys and girls they are regular in class attendance and also are enjoying the recreations provided. Each of them will tell you about his or her work."

The members of the delegation were introduced and each made a short talk. They were Stanley McAllen, of Deer Island; Esther Karasti, of Clatskanie; Mike Brusco, of Rainier; Margaret Braward and Albert Bishop, of Goble; Helen Lloyd,

of Deer Island; Phyllis Haugeberg, of Rainier; Vivian Talbot and John Koller, of Deer Island; Ruth Ellertsen, Gertrude Ellipin, Margaret Sweeney, Mildred Thomas, of Clatskanie; Geraldine Oliva and Woodrow Lovelace, of Rainier; Norman Nitengale, of Deer Island; and Robert Spencer, of Goble.

The program ended with a song by the club members entitled "Our Club Will Shine."—Geo. A. Nelson, county agent.
