Buy Milk That You

Know

Is Safe and Rich

Our raw milk and cream, if you prefer it, comes from a single dairy selected for its careful management.

Our pasteurized milk and cream is scientifically treated to kill any bacteria—but never boiled. Recommended by all physicians where certified milk is not available.

Our bottles are carefully sterilized in a machine made for the purpose.

As to richness, one glance at the cream line on the bottle or a single taste will convince you.
