LET'S TURN DRAMATIC

Now's the chance for juniors and seniors to show their artistic talents. This editorial applies to juniors and seniors; at present only juniors.

V. H. S. SCALPS

SCAPOOSE 21 TO 13
The Vernonia high school's football team showed its true colors Saturday when it defeated the Scappoose eleven 21-13 on the Scappoose field.

Vernonia made a safety and three touchdowns. The second touchdown was scored when Hillman, Vernonia end, intercepted a Scappoose pass and ran 60 yards for a touchdown.

BULLETIN BOARDS ADD INTEREST TO HISTORY AND SCIENCE CLASSES

Bulletin boards in Mrs. Malmsten's class room increase the interest of the history and science students in their respective subjects.

HEAR YE

Attention, fellow-students, our team won a hard-earned victory at Scappoose last Saturday without much support. That's not blaming you for not being there.

JUNIORS CHOOSE PLAY

The junior committee, appointed for the purpose of selecting a play, chose "Sonny Jane." The play was approved by the class.

tice will not conflict with that of he senior play in the spring.

HI LIFE . . . Read It and Weep

Hi Pals! Here he is again. He was gone for a week (supposedly) much to the relief of everybody. He is a great mind (?) reader though and, he saw a great deal while in his trance. He saw—well—read it and weep:

Marjorie Meeker getting gray-haired in an effort to find speakers for the next assembly.

Bob Cline thinking seriously of writing to Ripley in regard to his amazing gum-popping ability. Oh our eardrums. Put it behind your ear, Bob.

Edgar Crawford having great trouble keeping his large shoes out of each other's way during football practice.

Students joyfully awaiting their report cards. "Sez you."

English VII students enlarging their vocabulary. Can you understand Greek?

Chemistry students delving into the deep, dark mysteries regarding chemical formulas. They are a bit difficult, are they not?

Don Holtham feeling very sure that he can handle at least parts in the junior play. Our modest Red. (Red from last year's junior play.)

Florence Wall contemplating the employment of a secretary to help take care of the dramatic aspirants. You can't all be "Sonny Janes."

Bert Eastman playing a haunting selection upon his harmonica. We can't play harmonicas either, Bert.

Holly Holcomb deftly handling the diplomatic affairs of his class. James Rainey stifling a sneeze. Stanley Overson trying to sing. We'd rather hear Bert's harmonica, but if it's for our benefit don't do either.

WHAT THE CLASSES ARE DOING

The commercial law class is studying negotiable instruments. The algebra III class is having a study of exponents. The world history class is studying Greek customs.

VERNONIA TEAM TO VIE AGAINST LAST COACH

The Vernonia team will have additional inspiration for the Clatskanie game next Saturday, October 22, for they will have to match wits against a team coached by Ira Tucker, a former mentor of the Vernonia squad.

After an exciting ghost story blankets were spread on the floor and a more or less hilarious night was spent by the following girls: Martha Middlebrook, Elizabeth Wall, Bertha Thompson, Thelma Trudgian, Louise Crawford, Hazel Chapman, Wilma Stolen, Helen Barnes, Daisy McDonald, Jeanne Hughes, Louise Higbee and Marjorie Lang.

After breakfast a business meeting was held and Marjorie Lang was elected as the new class president. Plans were also made for a monthly party to be held at the members' homes during the winter, no one to attend who had not been in Bible school the previous Sunday.

Keep HOOVER on the job as PRESIDENT

and support him by electing Frederick Steiwer FOR SENATOR and James W. Mott FOR CONGRESS

Maintain the protective tariff on lumber, Oregon's greatest industry; keep on opening the mills and putting more men at work.

Keep the gains agriculture has made under farm marketing act, aid to cooperatives and other Hoover legislation — all prepared with advice of Grange and Farmer's Union leaders.

Keep the gains made by labor — wages and employment sustained by the Hoover agreement.

Support the CONFIDENCE in business recovery now being exhibited.

Conditions in the United States today are more favorable than in any other nation.

CHANGING LEADERS AT THIS TIME IS SURE TO MAKE THINGS A LOT WORSE.
