LET'S TURN OVER A NEW LEAF

One semester of the current school year is now but a memory—a sad one to some, a merry one to others.

School life needn't be a chore, a drudgery, if we treat it right. The reaction of school is controlled entirely by the individual. If that individual is steadfastly determined that he won't like school in any way, matter or form, it stands to reason that he probably will not. At the same time that person's grades will probably also show that everything isn't clicking exactly as it should be. On the contrary, if a person goes to school with the idea of learning, and enjoying himself at the same time, he, without doubt, will enjoy his education and at the same time get good grades to show that his time isn't being wasted.

Isn't the purpose of school—well, why go into that? You know as well as we the purpose of school.

Why not turn over a new leaf this semester? There are plenty who would profit by doing so. Think it over.

GOOD FOR YOU, JUNIORS!

The Timberline hereby extends its heartiest congratulations to the cast of the junior play, "Sonny Jane," for their great success last Thursday night in the presenting of that play. The cast deserves all the credit they can receive for putting on the play in the manner in which they did. Miss Hughes, the coach, also deserves great credit for her diligent and hard work in preparing the cast for the play.

The play was a good one and was made extra good by the fine acting of the cast.

The class fought a winning battle with old man depression, taking in a net profit of \$30 which is larger than either of last year's play profits. The student body and people deserve the credit for helping to defeat the "old man."

The juniors had quite a struggle getting the students to turn out for the play, arranging the cast, learning parts, advertising their play, selling tickets and last of all putting the play "over" in great style.

This is sufficient evidence, we believe, to prove that you should "never say die" and that nothing is impossible.

AMERICAN LEGION AUXILIARY ATTEND TO CONCERT PREPARATIONS

The American Legion Auxiliary is attending to all preparations for the high school joint concert to be given in March. They are selling tickets, renting the school, and all other necessary things.

The concert will be put on by the glee club and the orchestra.

SCAPPOOSE FIVE NEXT OPPONENTS

The Scappoose high school basketball squad will be the next opponents of the Vernonia boys. The game will be played Friday night, January 20, at Scappoose. High hopes for success are held by the basketball boys.

NEW SEMESTER AND NEW CLASSES

The new semester began at Vernonia high school on Monday, January 16, 1933.

many others are still advancing in the same order.

Shorthand, French, typing, chemistry, English and civics will proceed throughout the year. Civics began Monday with Parliamentary Law, and English with Literature.

Such subjects as commercial law, commercial arithmetic, economics and solid-geometry are half-year subjects. —By Marian McCoy.

HI LIFE... Read It and Weep

Hi pals! So there! Would you think it? Such queer habits as our friends have. We saw:

Aspiring economists learning about "Technocracy" . . . Bob Cline staring with vacant eyes into space. A penny for your thoughts . . . Martin Hillman, the great, chewing his gum with relish . . . Reba Adams, the siren, looking her part . . . Seniors enjoying their English. Ho, ho . . . "Children" playing in the snow . . . Everybody crowding to take solid geometry. Two students . . . Ed Roediger distributing candy. Aho . . . Mayo Pettijohn—he with the great personality—strolling about the school . . . Thomas Osborn receiving praise for his part in the play. Modestly, of course . . . Louis Graven—he thinks he's Napoleon—gazing about. Poor thing . . . Floyd Smith's curls disappearing. Ohhhh.

SUNNY JANE HUGE SUCCESS

In spite of "old man depression," the junior play, "Sunny Jane," given at the grade school auditorium on Thursday, January 12, proved to be quite a success.

After paying the royalty, rent, and other necessary things, the juniors made a profit of about \$30 on their play.

Many laughs were given to the good-sized audience by Amelia Spitzendorf, married three times and willing to try again, and Sam Streek, whose complete name proved to be William Samuel Streek. These two German parts were played by Millicent Ratkic and Thomas Osborn.

The leading roles were taken by Florence Wall, as Sunny Jane Marguard, and Bill Lumm, as Charlie Mitchell.

The intervals were filled with music by the Douglass band. Between the second and third acts, Pauline Milne sang "My River Home" and "The Voice in the Old Village Choir," accompanied on the piano by Mrs. Henry Fogel.

GOAT RECEIVES COOL RECEPTION

Amid shrieks from the girls and puzzled exclamations "Billy" strolled nonchalantly though the open front door and as lightly as his mountain ancestors sprang up the steps.

Evidently embarrassed by the close scrutiny as he reached the top the mottled brown goat came up the incline.

He received the jolt of his life here for Mr. Wilkerson, decidedly unsympathetic with wandering goats, ousted "Billy" in short order. After being ejected he turned his small nose into the air, gave a contemptuous blat and galloped calmly off amid much applause.

Exit Mr. Goat.

THE TIP-OFF

Here's some good news: Bill Lumm is now eligible for basketball and has been practicing this week with the squad.

Martin Hillman's injured ankle is practically as good as new and he is expected to be able to play in the Rainier game.

Rainier is evidently going strong this year, if any one may judge according to their 36-12 victory over Clatskanie last Friday night.

If one can judge by scores Vernonia should be on an equal basis with Clatskanie. Here's hoping so.

Practice was renewed with vig-

SENIORS TAKE STEP IN SELECTION OF PLAY

The senior class last Thursday made its initial move in the selection of a class play.

A committee was chosen, composed of Julia Banzer, Dorothy Gwin, Audrey Austin, Harvey Edens and Edgar Crawford, last Tuesday to make a selection and to submit two choices to the class on Thursday. The committee selected "Oh Professor," a farce in three acts, and "The Yellow Shadow," a mystery in three acts. These two plays followed most nearly to the restrictions imposed upon the selection of a play. The committee was instructed not to choose a play of more than ten characters or \$10 royalty.

The story of the two plays were read to the class at the meeting Thursday by Julia Banzer. Selection was unanimously

Consider the Lillies

"We never miss the water till the well goes dry," may fittingly be also said of our beautiful flowers; but how greatly pleased when again we are greeted with

their golden beauty, and all because of the nearing of the coming springtime.

Last Lord's day at the Bible school of the Christian church 173 people popped their hands together when Prof. G. E. Finerty presented the major attraction in the way of a large pot of huge golden daffodils.

The professor is specializing in a large way with many early flowering plants, which will be presented both to school and the public in various ways.

EVANGELICAL CHURCH

G. W. Plumer, Pastor

The Sunday school meets at 9:45 a. m. in charge of A. C. Knauss. Plans were laid Tuesday evening at the Sunday school board meeting for aggressive work. The pastor will speak at 11 a. m. on the subject, "Returning to God."

The Christian Endeavor will meet at 6:30 p. m. The new president, Carroll Chance, will be the leader. A real welcome is extended to all young people to attend. The theme of the 7:30 p. m. service will be "Seeing God." The new officers of the Sun-

day school and Christian Endeavor were installed last Sunday evening and no doubt but all will get busy. Come and help us to succeed. Welcome, is the word to all.

PERFECTLY SOBER, CAR TRIES TO GO TO CHURCH

(St. Helens Sentinel)

Alcohol is not always responsible for accidents is the opinion of Mr. and Mrs. C. A. VanAlstine of Vernonia, who arrived in St. Helens Tuesday noon "with a bang."

Mr. Van Alstine was driving a "star pickup" and with all good intentions of stopping his car, he applied his foot to the brakes, was about ready to begin climbing out of the car when his foot slipped and landed on the gas. With the motor roaring, the car with its occupants, finally came to an abrupt stop when all tried to enter the Episcopal church from the outside wall of the building.

Several shingles were damaged, which Mr. Van Alstine made arrangements to repair, but no other damage was done.
