TO THE STUDENTS

Success in the student body's new venture—the spring carnival—depends entirely upon the spirit and ambition of the students. If they will enter into the thing with the spirit required and determination to make the enterprise a successful one, such will be the case. If, on the other hand, the feeling is of a pessimistic nature and the general opinion predicts a failure the result probably will be unsatisfactory.

There's absolutely no reason why this carnival should fail if every member of the student body does his or her bit. This can be done by your words, your actions. Never allow yourself to doubt that the event will be successful. When talking about it, always boost the carnival.

Above all else the students must get some pep and life. The usual custom of sitting around and waiting for the other fellow to do the job won't work here in any sense. Everybody has something to do and will have to do it if success is to be expected. This carnival is not being put on by the student body officers or the faculty. The students themselves are supposed to be staging the affair to raise funds for the student body. Every individual member of the body should feel that it is his right and duty to see that the carnival is a roaring success. All that is needed to make it so is the hearty cooperation of every single student in the school.

Come on, let's go, V. H. S.

BORROWING!

Spinging, more politely known as borrowing, seems to have become a habit to various members of Vernonia high school. It appears to have become a hobby to collect (borrow) a multitude of articles from ink bottles to typing paper and then neglectfully forget to return the articles picked up. Usually the lender (?) knows nothing about the one-sided transaction until he is rudely reminded of the fact by his rapidly depleting supply of paper or ink. Far too often no remainder whatever is left for the unfortunate victim.

Now, you chronic borrowers—using the polite expression—just what do you expect to gain from this? It is a rather bad habit to fall into—one that might lead to more serious consequences. It isn't the value of the "borrowed" article that counts but the idea of the thing. We don't believe that anybody in school is so hard put that he has to resort to such tactics to get paper. In fact, that is rarely if ever the excuse. Usually the alibi is that of retribution—that is, each culprit says that he did it because somebody stole his. If that isn't a foolish alibi, what is? Yet that is usually the excuse—an age-old, worn one but still in use. It seems that this is another case of a dog chasing his tail or the proverbial cock-robin.

Rather silly the whole game, eh?

HIGH SCHOOL HAS RADIO DUE TO GENEROSITY OF SUPT. J. B. WILKERSON

The high school now has a radio, due to the generosity of Mr. Wilkerson, who attended the auction sale at the Brown furniture store and bought a six tube Continental radio for \$20.

Not needing the set for himself he had it brought over to the school. It was decided to keep the set in the office and have it brought into the auditorium on special occasions such as baseball games and presidential speeches. The set was installed in the office by Bert Eastman, the sophomore radio enthusiast.

The office is usually rather crowded at noon now. You may find Violet or Dorris searching for some snappy music, Bert Miller trying to tune in his favorite classical symphony. Ivan looking for a baseball game, Helen Brimmer listening to whatever happens to be on, and Bert Eastman explaining exactly how the set is made.

23 ARE ON HONOR ROLL FOR SECOND SIX-WEEKS

Twenty-three students were on the honor roll for the six weeks period that just ended. Of the number five are seniors, four juniors, three sophomores and 11 freshmen.

The following students gained scholarship honors: seniors, Margaret Meeker, Margaret MacDonald, Lela Beveridge, Julia Banzler and Edgar Crawford. Juniors, Bill Lumm, Millicent Ratkic, Jeanette John and Bernice Updike. Sophomores, Elmo Aldridge, Ben Wilkerson and Harold King. Freshmen, Geraldine George, Florence Austin, Lolamae Smith, Alice Hoffman, Willa Crowder, Betty Lee, Toshi Kuge, Thelma Lincoln, Elizabeth Ek, Pearl Faught and Lucille Lindbergh.

DE LOSS POWELL BRINGS WAR RELICS TO SCHOOL

In conjunction with the study of the world war in the American history class, DeLoss Powell, junior, brought several pieces of military equipment as well as other souvenirs.

The complete set was as follows: one French-Canadian army rifle, one U. S. trench helmet, one bolo knife made by hand in the Philippines, a pair of hand-made chop sticks inlaid with ivory and made in Japan, a hand-made fan made in China, two American army rifle shells, two French-Canadian army rifle shells, a German luger shell and a pair of socks used in China.

"THE HOUSE OF A THOUSAND THRILLS" TO BE GIVEN FRIDAY

The senior play will be presented Friday night, April 21, at the Washington grade school auditorium.

Everyone at Carlton House is mystified by the queer noises and unusual disturbances. What do they mean? Are they signals of some pending tragedy? Mona Carlton engages David Arden, detective story writer, to pay a visit to the Carlton mansion in an attempt to solve the baffling mystery.

While the audience is held in breath-taking suspense at the bodily abductions, mysterious appearance of a hand from the wall, gliding to and fro of ghosts, and the killing of two characters, the plot unfolds to disclose AS THE GUILTY PARTY.

We defy anyone to solve this mystery before the end of the play.

CLASS DELEGATES MEET TO DECIDE CLASS MEET

Delegates from the respective classes met last Friday to discuss plans for the coming inter-class track meet.

The delegates from the classes were as follows: Freshmen—Floyd Smith and Stanley Overton; sophomores—Earl Doney and Holly Holcomb; juniors—Bill Lumm and DeLoss Powell; seniors—Junior Aldrich and Martin Hillman.

It was decided to run the meet off in two nights, no definite date having been decided upon.

The decision regarding eligibility was that any one could enter the event regardless of eligibility.

Hurdles are barred at the meet on account of the insufficient number possessed by the school.

Any person can enter five events not counting the relay.

Delegates were instructed by Coach Mills to submit a list of entries by Tuesday.

STUDENT BODY MEETING HELD TUESDAY, APR. 11

A student body meeting was called to order last Tuesday, April 11, by Junior Aldrich, president.

The meeting was called especially for the purpose of deciding as to whether a spring carnival should be given or not. The vote on this question was unanimously in the affirmative.

A committee composed of Clarence Lindsay, chairman, Elizabeth Piert, Bill Lumm, Reba Adams, Harold Heenan, and Anna DeVaney was chosen by the president. Their instructions were to select a manager and to cooperate with him in arranging the carnival.

JUNIOR PROM APRIL 28

The juniors have set the date for the Junior Prom Friday, April 28.

The graduates of last year and the seniors of this year are all invited to come.

The Prom will be given at the Vernonia high school gymnasium. Refreshments will be served.

G. A. A. HOLDS MEETING

The G. A. A. held a meeting in Mrs. Malmsten's room April 13. The purpose of the meeting was to decide what phase of athletics to take up next. There was a discussion whether to form a hiking club or indoor baseball. A majority of the class voted on hiking.

HIKE IS PLANNED

Thelma Lincoln, Betty Lee, Frances Bergerson and Lolamae Smith were appointed on the arrangement committee for a hike. Their report is: The G. A. A. will meet after school Thursday to take a hike around Stony point. Each girl will bring her own lunch.

HI LIFE Read It and Weep

Hi pals! For once the Major will ask a few questions. He is terribly puzzled as to—

Why so many of the boys are called out of classes for phone calls lately? Tsk, tsk, how could you ask that? . . . Why Junior Aldrich seems to have such ambition of late? You should see him chew his gum. . . Why Martin

How Mildred Nutt developed such a "taste" for pencils? Can she chew 'em? And how! . . . Why Margaret Nelson has such a blazing red coat? Red means danger. . . Why the indoor players haven't broken any windows—yet? Give 'em time. . . Why Bert Mills seems suddenly so lazy? Why, Bert, and you always so ambitious. . . Why Robert Anderson and Doris Timm are so good at getting gum from Ivan? . . . Where Reba Adams got her talent for pictures and funny faces? . . . Why the squirrels follow Ed Roediger around? Ed's a lover of animals. . . How the juniors decided the Prom question so quickly? . . . How Bert Eastman can refrain from taking Mr. Wilkerson's radio to pieces? A tremendous will power.

AMONG OUR NEIGHBORS

C. H. S. SOPHOMORES WIN CROSS COUNTRY CONTEST

The sophomore cross country team upset the dope Monday when they won the first annual inter-class cross-country with 58 points, while the juniors came second, nosing out the seniors who were favorites with 70 points to 71. The freshmen came in last.

A close finish was seen with Bryant, senior dark horse, springing a surprise by coming in first. Barkman was second and B. Johnson third, Olaen fourth and Bunce fifth. These five will probably compose the team that will run in the county meet at St. Helens.

The seniors were handicapped by the absence of Coles, star miler.

The team scores are as follows: Sophomores, 58; Bunce 3, McPherson 6, Raade 8, Peterson 12, Edmonds 11, Conyers 16.

Juniors 70, Johnson 3, Olaen 4, Jones 7, Erickson 17, Maples 19, Duke 20.

Seniors 71, Bryant 1, Barkman 2, E. Jolma 10, Thompson 18, Brown 20, S. Johnson 20.

Freshmen, Doumit 9, Eby 13, E. Saari 14, Anund 15. —From Tiger Hi-Lites, Clatskanie High School.

TEAM IN TRAINING FOR COUNTY MEET

The local track team is training hard for the county track meet which will be held in St. Helens on May 6.

The boys who take a first or second place in the county meet will probably go to the district meet at Forest Grove, and that is what the boys are trying to do—to get a chance in the district meet.

SOPHOMORES WILL STUDY JOURNALISM

The sophomore English class took its six weeks test and will begin work in journalism so as to get a good understanding of it before next year. They will learn how to write editorials, news stories, features, personals, etc.

The Sir Roger de Coverley Papers are still being read by the juniors. These papers are a group of editorials written by Joseph Addison and Richard Steele in the year 1711. The papers deal with different questions of the time. Many of these questions may still be applied to modern life.

The seniors are studying literature of the Victorian age. —From Tiger Hi-Lites, Clatskanie High School.

Class Parties Interest Students

The sophomores entertained the freshmen at a party Tuesday of this week and the seniors invited the juniors to a party on Thursday night.

Both evenings were spent in dancing.

These parties made it possible for all the students of the high school to have an especially nice time this week. —From Tiger Hi-Lites, Clatskanie High School.

DECLAMATION

The first half of the local high school declamatory contest was held in the high school auditorium on Friday, April 7. The two sections speaking were oratorical and humorous. Lora Litherland took the honors in humorous with the selection "A Half Hour at the Beach" and Donald Baker in oratorical with "Spartacus to the Roman Emperors."

On Monday, April 10, the second half of the contest was held. The two sections speaking were extemporaneous and dramatic.

The county topic in the extemporaneous division was Soviet Russia. Clarence Singleton spoke on the question "The Marxian
