CHRISTIAN CHURCH

F. Claude Stephens, Minister
July Fourth is not the only big day. Other interesting days of power but as harmless as a kitten are ahead. Hear about them at church services. Sea level Bible school is going well.

Sunday activities for July 9: 9:45 a. m. Bible school, and you will enjoy being present. 10:45 a. m. Divine morning worship. 7:00 p. m. Christian Endeavor. 8:00 o'clock evening services in song and praise. All are welcome to enjoy this day together.

Christian Bible School Notes
170 were present July 2, much below the average for the year, but a great many people were away or going away for the Fourth, and we were not discouraged. We were still above sea level, for last year on July 3 we had 138.

The Gleaners class was high with 22 in attendance.

We have about half enough paid in for those new song books. Please help this movement if you can. We need them. Some of the classes have paid their full pledges. The Busy Bees were the first junior class to go over the top. They are workers.

You are invited to be with us next Sunday.

GIDEONS ARE COMING GIDEON BIBLE DAY

The Portland Camp of Gideons will hold special Bible day services on Sunday, July 2, in several places in Columbia county. A flying squadron, comprised of a Portland Giden gospel team and a men's quartet, will visit Shiloh Basin near Goble in the forenoon at 11 o'clock. Downing, near Clatskanie at 3 o'clock in the afternoon and Birkenfeld at 7:45 in the evening. All of these meetings are held

at the school houses with the local congregations at the regular meeting time, and everyone is invited to attend. The meetings will be in the entire charge of the Gideons, and they have their own program of singing and speaking. The Gideons have the special and peculiar task of placing Bibles in the guest rooms of the hotels, and as such have placed more than 1,100,000 Bibles in the hotels of our country and abroad. This nationally known organization is comprised of Christian commercial travelers and Christian business men, who freely donate their time to this work, and hold church services everywhere to tell their story.

The Gideon services are usually noted for the great interest they awaken among the people in work of this nature, and are much sought after by the pastors of all denominations. The committee of trustees of Shiloh Basin, Downing and Birkenfeld considers it a great privilege that these business men will spend their Sunday with us in this way, and we cordially invite all of our friends to attend.

For the committees,
P. J. Van Bruggen,
Circuit Pastor.
