

## Fairways... and Rough

BY AGOF BUG

"GOLF," as defined by Messrs Funk and Wagnalls, "A Scottish game played with clubs by driving a small resilient ball into a series of holes, usually nine or eighteen."

Sounds simple doesn't it? Nevertheless enough skill is required to fascinate all who will accept the challenge of the game. Try it sometime.

One of the interesting features in last week's play was a mixed ball sixsome, paired and scoring in the order following, Mrs. W. G. Heath and Harry King, Mrs. Ben Brickel and Earl King, Mrs. George Plumb and F. D. Macpherson. . . Outstanding in the match were Mrs. Plumb's putts, Mrs. Brickel's approaches, Earl King's long drives—and last but not least was Sandy's setting 'em up to cones.

A stranger stopped in at the course Sunday. Says he, "Why this is the best country course I have ever seen, just look at the beautiful green setting." We are so used to seeing it that we almost let it slip from us without an effort.

### ARMED DESPARADO CAPTURED AFTER SHOOTING AT OFFICERS IN FIGHT

(St. Helens Sentinel-Mist)  
As a climax of an 80-mile-an-hour auto chase along the Columbia river highway in which two heavily armed auto thieves shot three times at the pursuing car of Sheriff Weed and Deputy Calhoun, George Wahl, 28, who gave his address as San Francisco, was captured by the officers when the car he was driving stopped near the Pomeroy place south of Scappoose. His companion, said to be Chas. Anderson, also of San Francisco, escaped near the scene and was carrying a rifle and other arms. The event might easily have turned out to be an escapade such as the Clyde Barrow-Bonnie Parker encounter as the occupants seemed to be the shoot and run desperado type.

Officer Howard of the state police squad was cruising north on the highway near Goble when he noticed the car coming toward him at high speed and recognized the car to be stolen, turned around to pursue them. The car turned up a side road and he was

unable to catch them so he phoned the sheriff's office here and the state police in Portland, to be on the lookout for the car.

Weed, Calhoun and the sheriff's son Melvin started out immediately and tried to block the car as it went through Houlton but were unsuccessful. Taking up the pursuit they followed the fleeing car until it stopped because of engine trouble near the Pomeroy place.

When captured Wahl was carrying a gun in his hand and another was located in his hand bag. The officers found three empty shells in the car, two pair of rubber gloves, a pair of dark glasses and a flashlight. A large supply of canned goods, hard tack and other groceries were also carried by the men.

The car was registered to Mrs. Ruth Turner, 2442 NE 22nd avenue, Portland.

Wahl was taken to Portland Tuesday night and fingerprinted but Portland police have no charges against him so he will be returned to St. Helens to face charges of larceny of an automobile and assault with intent to kill.

### AUTOMOBILE DEATH RATE HIGHER ON WEEK ENDS

As in previous years, the record of automobile accidents in 1933 showed that more persons were killed on Sunday than on any other day of the week, with Saturday next in the number of deaths. Week end congestion of traffic, especially on highways and on entering or leaving cities, is regarded as playing a large part in the 11,480 deaths on Saturdays and Sundays of the year as compared with 18,420 on the remaining five days of the week. On Saturdays and Sundays statistics show that the rate of death per accident was 20 per cent greater than on the other days of the week combined. On Sundays last year accidents numbered 127,470, while deaths were 5,890 and persons injured non-fatally totalled 142,070. On Saturdays accidents were 130,650; deaths, 5,590, and persons injured non-fatally, 146,320.

### NOTICE of SCHOOL ELECTION

Notice of School Election Upon Question of Increasing Tax Levy Over Amount Limited by Section 11, Article XI, State Constitution.

Notice is hereby given that an election will be held in School District No. 47 of Columbia County, State of Oregon, at the Washington school in said district, on the 18th day of June, 1934, at 8:00 p. m. for the purpose of submitting to the legal voters of said district the question of increasing the tax levy for the years 1934-35 over the amount limited by section 11, article XI,

of the Constitution of Oregon.

The reasons for increasing such levy are: Due to a clerical error, several years ago, the clerk of this district submitted the budget to the County Assessor several thousand dollars lower than it had actually been voted. This error has lowered the base of this district to the extent that it will be necessary to vote in excess

to the 6 per cent limitation in order to carry on the school.

The amount of special tax proposed to be levied for said year is \$25,695.00.

Dated this 21st day of May, 1934.

R. M. ALDRICH,  
Chairman, Board of Directors  
ATTEST:—LOEL ROBERTS,  
District Clerk.
