**Fairways... and Rough**

It seems the St. Helens team won again Sunday, score being something to something or other. But that does not matter, as all had a good time.

The Vernonia team had more players on the scene Sunday than did the St. Helens team. Several of the Vernonians were required to play on the St. Helens team to even the match.

Perhaps you have wondered just how fast a golf ball travels. In a test made by Gene Sarazen on an automobile proving grounds, an automobile was speeded up to 120 miles per hour, and as the car came abreast of Gene he drove the ball. The ball outdistanced the car up to 150 yards. The ball therefore was traveling more than 120 miles per hour during the first part of its flight. In the same article it was remarked that the ball covered 230 yards in 4.5 seconds, while the car made the distance in 4.1 seconds.

No team matches are scheduled for Sunday. There will, however, be some sort of competition among the locals.

Albert Childs eagled St. Helens fourth hole.

One St. Helens player remarked that Vernonia had a better turnout of lady golfers than any country course he knew of. What he did not know was, the ladies

were more put out than the men when the local course was about to become a hay patch recently.

Sunday's heat seared many.

**Caught in The Round**

Mr. and Mrs. E. H. Washburn were called to Seattle yesterday upon being informed of an auto accident to Mrs. Washburn's brother, Eddie Lester. Rolana Treharne accompanied them. The extent of Mr. Lester's injuries were not learned here.

Bill Washburn and Mike Lynch are in charge of Skinny's Pastime during the absence of the proprietor, E. H. Washburn.

Mrs. Ethel Ray was in Monmouth last week to attend the graduation exercises of her daughter Verna, and she spent the balance of the time visiting schools in the Willamette valley.

Mr. and Mrs. Ray D. Fisher and daughter Margaret attended a reunion of Mrs. Fisher's class in Willamette university, Salem, on Sunday. They spent the rest of the week end in Portland visiting Mr. Fisher's mother and in Tigard visiting Mrs. Fisher's parents.
