PAGE 3—VERNONIA EAGLE

St. Helens Is Defeated 27-7 In Game Here

Locals Score Touchdown Early In Game

One of the largest and most enthusiastic crowds for many a year, cheered and watched the Vernonia boys trounce the fighting St. Helens team 27 to 7 in a hard fought battle Friday noon at the ball park. This was the first time that Vernonia had defeated the St. Helens team in the last ten years, so all the local rooters went home with a happy smile.

Vernonia scored a touchdown in the first few minutes of play when Howard ran thirty yards to cross the goal standing up. King scored the extra point when he caught a pass from Holcomb.

Early in the second quarter St. Helens registered their only touchdown in the game. Led by the offensive drive of Rutherford and Cody they were finally able to cross over our goal by a series of line bucks.

In the third quarter Howard broke loose on an off tackle play to sprint sixty-five yards for a touchdown. The try for point was unsuccessful making the score 3 to 6.

In the fourth quarter Earl King, right end, blocked a St. Helens punt which rolled over the goal line for a safety. Then in a vain attempt to score, St. Helens filled the air with passes, Holly Holcomb intercepted one of these passes to run for a touchdown untouched. Dave Howard intercepted a second pass to run through a broken field for another goal. Both tries for points were unsuccessful.

King, Holcomb, Henderson and Howard starred for Vernonia while Cody and Rutherford carried the brunt of St. Helens' attack.

Unusually fine sportsmanship was shown by both sides. The game was a clean, hard fought and well-played struggle between two of the strongest teams of the county.

Officials: Biancone, former Oregon state player was referee, and George Plum, umpire.

IN MEMORIAM

We, the students of Vernonia high school regret deeply the loss of our friend and classmate Helen Brimmer. Her cheerful friendly attitude, her willingness to do for others, will always remain in our memories although she is no longer a member of our group.

NOTE OF THANKS

The student body, faculty, football squad and coach wish to give their most sincere thanks to the merchants of the following stores: Nehalem Market, Miller Mercantile, King's Mercantile, Brickel Barber Shop and Soden's Barber Shop who closed during the game Friday.

You were few in number but great in spirit to so willingly cooperate with the school by closing your shops and helping to boost our boys to a victory on the gridiron over the fighting St. Helens eleven.

Our boys went on the field with more confidence and willingness to fight because you merchants' act proved to them that you were backing them. Therefore, we again say that we owe you merchants our deepest appreciation for your fine cooperation; and we in our turn desire to aid you in boosting your trade.

CITIZENSHIP

Citizenship in high school counts as much as the students regular grades, because, if a student gets good grades but cannot conduct himself well among his fellow classmates, his education will not be very beneficial to him in after life.

If one comes to school and doesn't learn anything except how to conduct himself in class and among other people, he has learned something that will be helpful to him.

There has been a great deal of complaint about citizenship grades this past week among the students and this being the first week of the six-weeks it would be a good time for everyone to start anew.

Those that have not come up to average shouldn't give up, but try and improve and see the results on their next report card.

JUNIOR MEETING HELD

President, Margaret Byers, called a meeting of the Juniors last Monday during activity period. They decided that the Junior play would be given before Christmas. Reports from the committee to select the play were given.

It was decided that each Junior would bring ten cents to pay off the class debt.

HOME ECONOMICS GETS SUPPLIES

The home economics class has received some more supplies including a 49 pound sack of flour from the Sperry Flour Company, syrups and jellies from the Tea Gardens Products Co. and large recipe files from the Porter-Scarpelli Macaroni Co.

A full set of dishes and an electric plate have been purchased by the school.

The girls are still preparing breakfasts.

RALLY HELD

Thursday night at seven o'clock a large percent of the high school students gathered at the high school building for the rally preceding the football game that was played Friday afternoon with St. Helens.

At a few minutes past seven a serpentine was begun. They first went to the intersection by the bank where they circled around the intersection and gave a few yells.

The serpentine then went back to the city park where a large bonfire was lit.

Everyone joined in singing the school song. Then Bill Byers, yell leader, introduced a fight between Joe McNutt, representing Vernonia and Clarence, representing St. Helens.

Next, the yell leaders introduced the football players, teachers, several students and townspeople.

At about 8:15 the rally was broken up.

The students that participated in this rally showed real school spirit.

Vernon Is to Meet Clatskanie There Tomorrow

Win Will Give Fair Chance at Championship

The Vernonia football team will meet the Clatskanie Tigers on the Clatskanie field tomorrow afternoon at 2:30.

The boys were all "pepped up" after winning from St. Helens last Friday and expect to play a good, hard game.

The Clatskanie team is noted for their good passing, but with Dave Howard playing left half the Vernonia team hopes to hold its own.

If the Vernonia team wins this game they will have a fair chance of winning the county championship this year.

A large group of high school students as well as townspeople are urged to attend the game and help support the boys.
