A BOOSTER FOR J. N. MILLER FOR COUNTY COMMISSIONER

Mr. Miller has proven to be a hardworking, strictly honest, all county commissioner.

I, as a member of the drainage district board have received valuable help and cooperation from Mr. Miller in our district affairs.

He has been a commissioner long enough to have learned to be very efficient, and to make every cent that is spent of the taxpayers money to count the most.

Let us give our votes to Mr. Miller, and we are sure of a man that will do his best for every section of the county.

Blue Jays Put in Brisk Practice In School Gym

By the Keyhole Reporter
Wednesday night the girls put in an hour's brisk practice on the grade school gym floor.

Having a first and second team this year gives the players a chance to shift to various positions on the line-up. It gives the players more beneficial practice and in the forthcoming games both teams will have ample chance to play. The prospects for the coming season look excellent.

At present the positions of the various players are: centers, Mildred Hawkins, Hazel Shipman, Margaret Veith and Frances Bergerson (who alternates as forward); guards, Theresa Goertsen, Doris Vosnick, Helen Bergerson, Merian Plumb and "Toots" Linn; forwards, Bonnie Linn, Fern Lane, Mildred Brady, Irma Thompson and Frances Bergerson. The new recruits are Fern Lane, Theresa Goertsen, Marian Plumb, Hazel Shipman and Margaret Veith. Practice is at 7 p. m. Monday and Wednesday nights in the grade school gym.

Girls Get Write-Up

The following article regarding the Blue Jays appeared in Billy Stepp's athletic column in a recent issue of the News-Telegram:

"Basketball teams . . . girls . . . listen! Here's a challenge.

"The girls of Vernonia, Ore., have a quintet that is class and tosses a challenge to all comers.

"These lassies are in what they call 'the tall timber,' but invite any girl hoopers to invade their territory for a contest and naturally, will be willing to travel to their opponents' courts for an argument with the basketball.

"If there are any girl hoop squads interested just write to Blanche E. Grable, business manager of the Vernonia Blue Jays, Vernonia, Ore., and Uncle Sam will deliver the challenge . . . They'll be mighty glad to hear from you.

ager of the Vernonia Blue Jays, Vernonia, Ore., and Uncle Sam will deliver the challenge . . . They'll be mighty glad to hear from you.

"And Blanche adds to her letter, 'We're after the championship.'

"O. K., we'll be pulling for you girls up in the tall Oregon timber."

KEASEY

Mr. and Mrs. George Comstock's children left Friday for a two weeks vacation at Silvian, Wash.

Since the rains the men from the Green mountain CCC camp

have had to use a speeder from Keasey, as the roads are too bad for the trucks to travel over.

REPUBLICAN CANDIDATE FOR COUNTY JUDGE

In running any business preference is always given to the man who has had experience at that particular work or in similar work which fits him for the position. Experience is the greatest aid toward economy and efficiency in this office. My abstract and other business experience has especially qualified me for this position—Why change?

These are critical times. Timber valuations are rapidly reduced and the government is now turning back relief cases to the county every month. I will have had over seven months experience by January 1. Why experiment by breaking in a new man.

On account of scarcity of county funds, the office requires an unusually economical business administration, which I have given you to date and will continue to do. This should not be a political but strictly a business office.

I have been fair to all sections as evidenced by allocation of road funds by the county court to the different sections of the county.

If elected, I promise to conduct the affairs of the office impartially and will continue to be courteous and considerate at all times.
