

Timber

As the outgoing local freight, bound for Tillamook, passed through tunnel No. 28 a large boulder crashed down the mountain side and passed through the rear coach. The impact broke three windows and left a large hole in the roof of the car where the boulder passed through. The car was sent to the Brooklyn yards for repairs. The car was unoccupied.

It is beginning to look as though Old Man Winter had really come to stay around Timber. The surrounding hills are covered with a mantle of snow.
