Three Vernonia Players Chosen On All-County 11

Three outstanding grid stars from Vernonia high were chosen for the all-county football eleven.

Dave Howard, mainstay of the local team's offensive attack, was unanimous choice for left half. Earl King, who was a brilliant player both on defense and offense, won himself the right end position. Milton Lamping, the line smashing terror, was selected for the right guard post.

The coaches sent the names of their nominees for the team to Dr. Bailey who did the final selecting.

Forward, Jesse, Rainier
Left Half, Howard, Vernonia
Right Half, Eilertson, Clatskanie
Quarterback, Rutherford, St. Helens

Left End, McAllister, St. Helens
Left Tackle, Holt, St. Helens
Left Guard, Valpiani, St. Helens
Center, Kasera, Clatskanie
Right Guard, Lamping, Vernonia
Right Tackle, Annundi, Clatskanie
Right End, King, Vernonia

Vernonia's fine showing in the conference games, is shown only in part by the representation on the all-county team. In Billy Stepp's column of the News-Telegram, a local booster summarized this season's success.

This year's backfield was the strongest Vernonia ever had. This was proven by large scores which the boys rolled up. The line included a charging and fighting bunch of boys who didn't know the word "quit." They were the main factors in opening up the holes for the backfield men, and ran splendid interference while in the open.

BASKETBALL SUITS ARE TO BE ORDERED

Basketball suits are going to be ordered from the Portland Sporting Goods company. They will be here for the conference games. The color of the suits has not been decided as yet, but is under considerable discussion by the coaches and players.

LETTER PROJECTS

The sophomore and junior English classes are taking up letter projects. The projects consist of a series of nine letters dealing with buying and selling of some product.

The projects are to be made in notebook form. There will be a committee selected to pick out the best projects, which are to be exhibited.

ALUMS HOLD PARTY

A group of last year's seniors held an impromptu get-together party Friday evening at the home of Miss Crary. The evening was spent in discussing school days and playing cards, after which refreshments were served.

Marjorie Holtham running around in circles hunting for herself. You are at exactly the same place where you are, Marjorie.

Mr. Mills—What kind of a water wheel has water running on to it from the top.

Toshi—A buck shot water wheel.

Mr. Mills is going to learn a lot of things about physics that are not written in books when he corrects the test papers for the physics class.

There seems to be a snake (or snakes) in the grass around V. H. S. these days. Every time some teacher assigns a test, a howl arises, not because of the test, but because books begin to disappear. If Miss Crary assigns an examination the English books disappear and if Mr. McCrae assigns an agriculture test the agriculture books disappear. Books don't grow legs and walk, so there must be a "nigger in the wood pile."

Teddy heard Holly laughing and thought it was a goat. Holly wasn't the goat that time.

Oh, oh what's this we see? A group of students surrounding Miss Drake's desk telling jokes that no one laughs at. Finally

COURTESY

"Life is not so short but that there is always time enough for courtesy." is perhaps one of the best statements Emerson ever made. It is certainly true.

The highest degree of courtesy should be found and applied every day of the week, month or year; courtesy between employer and employee, courtesy between principal, teachers and students, and above all courtesy between boys and girls.

Courtesy does much to create peace and a comfortable atmosphere. Lack of it is certainly disconcerting at times.

What is courtesy? Is it some cut and dried ceremony? Must one be stiff and boring to be courteous?

No, courtesy is not that. It is merely the kindest way of putting your thoughts into words. It is the nice way of doing or saying things for your friends. It does not include saying things which will at some time be a come-back to the person of whom unkind things were said or against whom unkind actions took place.

Courtesy may be said to be one of the oldest forms which can obtain and retain friendship. —From Central High News, Minneapolis, Minnesota.

BORROWING

There is a great deal of borrowing of books, pencils and paper going on in V.H.S.

It wouldn't be so bad if the borrower would return the articles he borrows, but most of the time the original owner never gets anything in return for the goods loaned.

Now, if a person is courteous and kind enough to loan you something you should feel that it is your duty to return it.

One should not get in the habit of borrowing things, because you

can so easily forget the amount, etc., and that makes the one that you borrowed from not so ready to loan to you again.

So, we should all watch ourselves and not do any unnecessary borrowing without returning.

BAZAAR IS HUGE SUCCESS

The Girls' league bazaar held Saturday, Dec. 8, was a large success. It was well attended by the town people, the students of Vernonia high and Washington grade schools.

The food was sold in an exceedingly short time. The lunches brought in large proceeds for the league. The returns from all the hand-made articles brought in a gratifying sum.

Banquet Closes Football Season For This Year

The closing event of the football season was a banquet given in honor of the football squad by the home economics class.

Those present were: Mr. McEntire, Mr. McCrae, Mr. Skuzie, Earl King, Everett Meeker, Hugh McDonald, Dave Howard, Holly Holcomb, Fred Henderson, Paul Adams, Swede Oveson, Sonny Schalock, Dick Lewis, Milton Lamping, Lamar Sandy, Stanley Parker, Hamp Roberson, Jim Vike, Harley Woodruff, Gene Pickens, Bobbie King, Carl Jensen, Elmo Aldridge, Ed Baker and Hawley Counts.

Speeches were made by the teachers and several members of the squad.

PETITION STARTED

There was a petition started last week that caused a great deal of interest among the students of V.H.S. The purpose of this petition was to get the students to agree to have Christmas presents.

The majority of the pupils feel that there is no reason to have a Christmas tree and a Santa Claus if there are no presents given.

FOOTBALL PICTURES

Mr. Scott snapped pictures of this year's football team and squad Friday noon on the high school lawn.

Students are being encouraged to buy these pictures as soon as possible. Townspeople may get them also.

Competition Keen For Position on Basketball Squad

No player can be sure yet of a position on the Vernonia high school quintet because of the close competition this year among the candidates. Spirit, speed, condition, endurance, accuracy and knowledge of the game are important essentials for a good basketball player.

Paul Adams, last year's reserve, Garland Monger, transfer from Creswell high school, and Amos Iles, a freshman, are the outstanding candidates for the center post.

Holcomb and Condit, previous season's regulars, Henderson, Plummer, Clark, McNutt, Parker and Counts are some likeable nominees for the forward positions.

King and Meeker, veterans of last year's quintet. Thornbrue, Schalock, McDonald, Woodruff and Barnes, are a few of the boys who are working to become first string men.

A scrimmage was held Monday evening with the town team. The first game will be played in a tournament with the CCC camps and the town team this Friday.

ACCURACY TESTS GIVEN

The typing I and typing II students have been taking accuracy tests each day.

The tests deal mainly with accuracy and the speed is not counted. Every mistake in copy takes five off of the grade.

SECOND FIRE-DRILL HELD

Last Wednesday at 2:45 the students of V.H.S. dropped their books and hurried to the call of the fire alarm. The fire drill was the second one held this year.

Miss Verla Messing visited school last Thursday. Verla was a graduate from V.H.S. in '32.

A teachers meeting was held Monday at 3:30.
