A "White Christmas" will be celebrated by the Evangelical Sunday school at the Christmas program which will be given in the church on the evening of Dec. 22, the Sunday just prior to Christmas.

A "White Christmas" signifies the giving of gifts for the needy. Members of the church and Sunday school are planning to bring as their offerings that night gifts of food, clothing, money and toys for children, which will be given to local families in need of assistance. The Sunday school plans to care for a list of six families including 15 children, suggested by the local community chest.

The more substantial items of food for Christmas baskets as well as special Christmas delicacies are wanted, according to Mrs. E. E. Garner, Sunday school superintendent. It is also understood that all clothing and toys given be clean, attractive, and in good condition.

Work is progressing on the program for the evening. The young men and women of the church and Sunday school will present a Christmas pageant, and the younger members will give songs, readings and exercises.
