## Loggers Win From Forest Grove On Local Floor

The hard fighting Vernonia "Loggers" avenged a previous defeat by winning a 22-16 victory over the Forest Grove hoopsters in a return game Saturday, Jan. 12, on the local floor.

Very few field goals resulted by the tight checking of both teams throughout the game.

The close guarding of both quintets in the first period enabled them to sink only one basket each. By caging an extra free throw in the second quarter, Vernonia led at the half 10-9.

By means of some excellent ball handling and an airtight defense, the Loggers tallied five more points in the third period while holding the opponents to one free throw.

Both teams broke into a scoring spree during the last quarter, but when the whistle ended the game, the Loggers still found themselves on the long end of a 22-16 score.

Bailey of Forest Grove turned in a fine performance and led the scoring with eight points. Condit and Holcomb, Loggers, were tied for runner up positions by bagging seven counters each.

## Columbians Are Winners in Game With Vernonia

The fast-breaking Rainier "Columbians" defeated the plucky Vernonia "Loggers" in the second conference game of the year on their floor Friday, Jan. 11.

Not a field goal was scored by either team during the first ten minutes of the game! Vernonia opened the scoring in the starting period by sinking a lone free shot. Rainier then followed by tallying three counters on free throws in the same period, to take the lead 3-1.

The Columbians smothered the basket with shots in the second quarter to gain the lead at the half 12-6.

In the first few minutes of the last quarter, the Loggers knotted the score 21-21. But the Rainier hoopsters bombarded the hoop with shots which went straight and true, while holding the Loggers to a lone field goal, and thus ending victorious 28-23.

Roy Bauserman, fast Columbian forward, led the scoring with 12 points. Condit of the Loggers was runner-up by caging eight counters.

The Rainier second team won a 13-9 victory over the Vernonia second team in a hard fought preliminary affair.

Bert Eastman was a high school visitor one day last week.

Bert Mills, editor of the Here and There column has stopped school and is now working at the Vernonia bakery. Bert was taking a P.G. course, having graduated last year. Willa Crowder will take his place as editor of the column.

## GIRLS' LEAGUE PLANS TO RAISE MONEY

Plans are now being made by the Girls' league to raise money during the second semester. Tuesday, in the Girls' league meeting in Mr. Mills' room, election of officers will be held for the second semester term.

Other beneficial work is being done by the girls, including clean-up work in the girls' rest room and the furnishing of the teachers' rest room.

## SENIORS DECIDE TO SPONSOR CANDY SALE AT GAME

At a class meeting held last Thursday, it was decided that the seniors would sponsor a candy sale at the basketball game held Saturday night.

The committee that was appointed to have charge of the sale was Zelda Miller, Dorris Anderson, Earl King.

It was decided that the different classes would take turns having charge of the candy sales that are to be held at each local game. The class in charge will receive half of the money taken in.

The money taken in will be spent to help pay the class as well as the student body bills.

## CARDS RECEIVED TUESDAY

Report cards were handed out Tuesday at 3:30 for the finish of the first semester term.

Most of the students seem very satisfied with their grades because they know what they can do and what they are doing, although everyone should feel it their duty to raise their grades just a little bit more and not be so satisfied.

Mildred Walters and Mrs. Florence White were visitors at V. H. S. one afternoon last week.

## Loggers Are to Meet St. Helens Here January 18

The Vernonia Loggers will engage the St. Helens Lions in the first conference game to be played on the local floor today.

The Lions were defeated by Clatskanie 12 to 8 the previous week, and were unable to score a field goal the first half. Vernonia lost to Forest Grove and Rainier but defeated Forest Grove in a return game Saturday.

The St. Helens team has trounced Grant and Roosevelt of Portland; therefore the Loggers will have a busy evening against such a strong foe. The Vernonia hoopsters are ready to avenge last year's defeat, and will give plenty of action for the benefit of the fans.

### SCHOOL SPIRIT

It seems from the size of the crowd at the basketball game last Saturday night that something is radically wrong with the school spirit.

When the boys are winning they get lots of praise and handshakes, but let them lose and then see the encouragement they get from the student body.

The boys won the game Saturday night, not by school spirit but by their own initiative.

If the boys do all they can to win it looks like the student body could do all they can to help them.

Come on gang, let's get up that old spirit!

Dave Howard, who is now attending Oregon State college, has been pledged to Phi Delta Theta fraternity. Dave reports he likes it fine and is turning out for track now.

## NEW LIBRARIANS TO BE APPOINTED

Different pupils will be appointed as librarians to take the place of the group that did the work last semester. This is done in order to give the various students a chance to learn something about the work.

The numbering of the books has almost been completed by Miss Crary.

Recataloguing the books will begin immediately.

## MISS HUGHES GETS CATCHY NEW PIECE FOR GLEE CLUB

A catchy new piece, "I'm Going a Vagabonding" has been secured by Miss Hughes for the Glee club.

Sara McGee, one of our most reliable sopranos, has returned to take her place with us.

A report will be given this week by Lyla Morris on Edward McDowell.

## NEW SUBJECTS ARE TAUGHT THIS SEMESTER

The new subjects being taught this semester under the following instructors are botany, Mr. Skuzie; commercial geography, Mrs. McCrae; public speaking, Mr. Mills, and economics, Mr. Mills.

In place of the home economics class which has been taking up cooking for the past semester, sewing will be taught under the same instructor, Miss Drake.

## BOYS ENTER SEWING CLASS

Six boys have entered Miss Drake's sewing class for the purpose of earning Bachelors' degrees, or some such thing.

These fellows say that someone must sew on buttons and the girls don't seem to be able to do that any more since they started using pins and strings.

## Junior Play Is To Be Presented On January 25

The junior class of V. H. S. will present "Here Comes Patricia," a comedy farce in three acts, January 25 at 8 o'clock in the Washington grade school auditorium.

The cast is as follows:

Patricia Grayson, daughter of the governor, Jeanne Hughes; Mrs. Carol, a pleasant, motherly old widow, Lolamæ Smith; Elsie Crowder, a pretty young neighbor, Dorothy Webb; Mrs. Smythe-Porter, the town aristocracy, Thelma Lincoln; Angelina Knoop, another young neighbor, not so pretty, Alice Hoffman; Minnie Knoop, Angelina's cousin, Betty Lee; Jimmy Clark, a newcomer to Vernonia, Hamp Roberson; Elbert Hastings, a much abused member of the governor's staff, Harold Cason; Adam Wade, Jimmy's peppery boss, Robert Depeu; Tim Hopper, the town's bad example, Toivo Eloranta; Bud Flannigan, a young man evidently Irish, Stanley Parker.

Short numbers will be presented between acts. The admission will be 10, 15 and 25 cents. The coach, Miss Crary, assures everyone of an enjoyable evening and a splendid performance.

The boys stated that strings are too complicated to use, and besides some one is always pulling them. Therefore, they are forced to sew on their own buttons in order to keep the button from being exterminated.

Carl Jensen says he is going to specialize in knitting but Lamar Sandy, Paul Adams and Ralph Condit think they will stick to the buttons and button-holes.

Sara McGee, senior, has just returned from a month's visit in Mississippi. Sara traveled all through Mississippi and some in Oklahoma and Texas. Sara reports she liked the country fine and had a very enjoyable visit.

## Here and There

Several freshmen were overheard debating the injustice of things after being informed that if the commercial geography class was too big, they would be eliminated.

Ye scribe was considerably embarrassed when upon taking a whole bunch of papers out of the waste paper basket in the hope of finding some nice, juicy grades they all turned out to belong to Margaret McNutt, and were all "ones" at that.

We students have decided to organize an S. P. C. T. (Society for the Prevention of Cruelty to Teachers). Our first step toward a national teachers' Utopia will be the abolition of tests. Mr. McCrae always looks so sad and depressed and apologizes for half the period when he is forced to give us a test. And Miss Hughes suffers untold agonies with her arm from writing tests on the board. Students, shall this terrible condition continue to exist? Shall this blot remain on the fair name of Vernonia high school? No! A thousand times no! On then to our goal—the abolition of tests (for our dear teachers' sake).

Miss Drake is continually finding some gift from her students in her desk. (It couldn't be that the students are working for grades could it?)
