DOCTOR'S CARD CLOCKS

ARE STOLEN IN EVENING
Early Tuesday evening someone removed from the office doors of Dr. J. A. Hughes, and Dr. H. M. Bigelow the card clocks with which the doctors indicate the time they will return when it is necessary for them to be out.

This is not the first time the clocks have been taken. It is believed some silly youngster who does not realize the importance of these indicators to patients seeking medical or dental attention is responsible.
