Ten Years Ago

Vernonia Eagle, June 12, 1925
The American Legion, Vernonia post, has moved its headquarters to the hall over the Hatton blacksmith shop, giving them plenty of hall room.

Mrs. Brown, Mrs. Macpherson, Mrs. Space, Mrs. Folger, Mrs. Kullander, Mrs. Gooding and Mrs. Tipton attended Eastern Star grand chapter in Portland Tuesday and Wednesday.

Mrs. M. Hoffman, mother of C. S. Hoffman, left on Sunday for her home in Dakota, Mrs. C. S. Hoffman and two daughters accompanying her. After a short visit they will proceed to Louisiana to spend the summer with relatives. Mr. Hoffman and the boys are batching.

Days will soon be getting shorter and very little summer yet. The bootleggers have needed no ice to keep the liquor cold.

Welded all-steel body reinforced with steel

✓

Safety glass all around at no extra cost

THE 1935 V-8 is the safest Ford car ever built. Safety glass is standard all around in every model, at no extra cost. Ford bodies are all-steel, welded. The Ford double channel X-type frame is low, rigid, strong.

The new Ford brakes have greater surface per pound of car weight than any other car under \$1095. And the Ford brake requires 1/3 less foot pressure this year. Big 6x16-inch Air-balloon tires, Ford transverse springs, and Torque-tube Drive also guard your safety. They make for firm road-grip on turns or joggly roads.

And the responsive Ford V-8 engine, with its 85 horsepower, holds large reserves of power to draw you quickly away from possible dangers.

This 1935 Ford V-8 accents comfort, beauty, and thrift, too. You are near a Ford dealer—go see him today. Get into this Ford V-8. See for yourself how much this car gives you.
