

JADED WARDROBE IS EASILY SPRUCED UP

There are endless possibilities of what one can do for a jaded wardrobe, and we are always on the lookout to discover things that can be added to an old dress to give it another season's wear. This year it is a change of jacket. Patterned ones contrast with the plainness of the gowns.

The idea of putting bright prints on top of dark dresses is a welcome change from the all-print ensemble that begins to pall after so many months of wearing. A short jacket makes a dinner dress out of one that would otherwise be extremely formal. When it is a wrap that is to be removed it is swagger to the hips or fitted to the floor. Anything goes in the way of a design for these new wraps, the smallest of pin dots to large floral patterns that are vibrant with life and exotic colorings. If the dress is white or a pastel, a print with a dark background is chosen for the sake of contrast.

SIMONIZ Your CAR

Protects Finish and Makes It Last Longer
Every car, new or old, should be Simonized. In fact, it must be if the finish is to stay beautiful. So always insist on Simoniz and Simoniz Kleener for your car. If the finish is dull, Simoniz Kleener quickly restores the lustre. Simoniz gives weather-proof protection to the finish, makes it last longer and keeps the colors from fading.

COLOR AND LIFE IN "POSTER GIRL"

By GRANDMOTHER CLARK

If you want to make a quilt with lots of color and life, the "Poster Girl" will be your selection. The quilt shown above is made from block number 95-A, which is one of the six different girls in which this assortment comes. Make the quilt either by using all the blocks of one design or assorted. The blocks are stamped on white 18-inch squares, and the applique material is stamped with the necessary designs and cutting lines. Twelve 18-inch blocks are generally used for one quilt. With twelve 18-inch blocks, 4-inch strips between blocks and a 2-inch border all around, allowing 1/4 inch for seams, the finished quilt will measure about 77 by 98 inches. Four yards of 36-inch material is sufficient for border and strips.

Send 15 cents to our quilt department for one block No. 95-A like the above. Make this up. You will like the beauty of design and can then decide what designs you want. A picture of the six designs will be mailed with your order, from which to select. Price per set of six stamped blocks with applique patches 75c postpaid.

Address—HOME CRAFT CO.—DEPT. D.—Nineteenth & St. Louis avenue, St. Louis, Mo.

For a Change

You can vary a simple shirtwaist frock of white or pastel silk by a change of color every day or so in silk necktie and scarf sash to match.

STYLE NOTES

Again fancy turns to printed satin.

Chiffon gowns are lavishly pleated.

Quilted taffeta coats are smart for summer.

Dotted swiss accessories is fashion's latest whim.

The flair for violet and lilac tones is widespread.

Compose tailleurs (skirt and jacket contrast) lead in the mode.

Ruffles and more ruffles animate youthful summer evening frocks.

WHIMS OF FASHION

Metal trims appear on some of the new gloves shown in Paris.

Shorter gowns are appearing for evening wear.

New belts are of straw, brass, raffia and cord.

Lots of nice blouses are piled high on shop counters.

Watch your neckline. Have the kind of a cut that suits your features.

Ribbons, clips and diamante buckle are spoken of by M. Worth as very smart for evening.

"A new fabric with beaded designs woven into the material" is a new idea sponsored by the House of Worth.

To encourage naturally curly hair to do its best try spraying it lightly with a little tonic or thin lotion before taking your bath.

Only the very young person should wear black, gray, certain shades of green and purple. These colors are anything but flattering to a woman who has started to fade.

White stripes in the hair nowadays are becoming more and more popular.

For Summer Sports

Here's a very smart country-clubbish outfit for sports on hot summer days. It is of white acetate fabric and is fastened in front with brown wooden buttons. There are two patch pockets which adorn the jacket tailored top. The brown dotted scarf and the brimmed sports hat give a swagger touch to the costume.

Sports and Evening Wear for the Summer Holiday

To sail away for a summer holiday is a glorious adventure at any score, but to sail away with the right clothes is very near perfection, an easy thing to achieve if one simple rule is followed.

Take only two types of clothes, sports and evening. Sports clothes are the backbone of the proper cruise outfit. Clothes to walk the deck in, to play games in, to lunch in, play bridge in.

Evening clothes added to the sports things complete the cruise wardrobe list. Everyone dresses for dinner on shipboard, so take five or six evening frocks, two wraps, stockings, slippers and bags. Evening dresses are floor length, often without trains; sometimes high in back and low in front with covered shoulders or puffed sleeves.

MINUTE MAKE-UPS

By V. V.

9-26

There are two diverse styles in lips. One is the vogue for dull lips and the other is the newer trend for the moist, sculptured kind. A new lipstick in an evening color gives lips a smooth, almost polished look under artificial lights.

Youthful Wraps

"Hug-me-tight" capes are youthful little evening wraps of the dolman type. They are usually made of taffeta crushed in bunchy fullness about the neck and shoulders and reach just to the waist in length.

Many Kinds of Sausages

While the number of kinds of sausages in common use in the United States may not be more than 50, at a fair in Germany a few years ago there were 1,785 distinct varieties entered.

Summer Sports Suits

White tussor fashions a number of summer sports suits. One combines a white frock and long coat lined in deep blue to match the belt of the dress, the other a jacket and frock belted in red and green plaid wool ribbon.

Button Trim

Tiny buttons of crochet or pearl are part of the dainty detail of sheer lingerie blouses. Rows of them range down front frills or along the sides of cuffs.

Coleman SELF HEATING Iron

Reduce your ironing time one-third... your labor one-half! Iron any place with the Coleman. It's entirely self-heating. No cords or wires. No weary, endless trips between a hot stove and the ironing board.

The Coleman makes and burns its own gas. Lights instantly—no pre-heating. Operating cost only 1/2¢ an hour. Perfect balance and right weight make ironing just an easy, guiding, gliding motion.

See your local hardware or house-furnishing dealer. If he does not handle, write us.
