

AN OBSERVATION

I believe it is no wrong observation, that persons of genius, and those who are most capable of Art, are always most fond of Nature; and as such are chiefly sensible, that all Art consists in the imitation of Nature. On the contrary, people of the common level of understanding are principally delighted with the little niceties and fantastical operations of Art, and constantly think that finest which is least natural.—Pope.

I FEEL FINE

Mothers read this:

A CONSTIPATED child is so easily straightened out, it's a pity more mothers don't know the remedy.

A liquid laxative is the answer, mothers. The answer to all your worries over constipation. A liquid can be measured. The dose can be exactly suited to any age or need. Just reduce the dose each time, until the bowels are moving of their own accord and need no help.

This treatment will succeed with any child and with any adult.

Doctors use liquid laxatives. Hospitals use the liquid form. If it is best for their use, it is best for home use. And today, there are fully a million families that will have no other kind in the house.

The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It is a doctor's prescription, now so widely known that you can get it all ready for use at any drugstore.

A Three Days' Cough Is Your Danger Signal

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with anything less than Creomulsion, which goes right to the seat of the trouble to aid nature to soothe and heal the inflamed membranes as the germ-laden phlegm is loosened and expelled.

Even if other remedies have failed, don't be discouraged, your druggist is authorized to guarantee Creomulsion and to refund your money if you are not satisfied with results from the very first bottle. Get Creomulsion right now. (Adv.)

Watch Your Kidneys!

Be Sure They Properly Cleanse the Blood

YOUR kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as nature intended—fail to remove impurities that poison the system when retained.

Then you may suffer nagging backache, dizziness, scanty or too frequent urination, getting up at night, puffiness under the eyes; feel nervous, miserable—all upset.

Don't delay? Use Doan's Pills. Doan's are especially for poorly functioning kidneys. They are recommended by grateful users the country over. Get them from any druggist.

Feathers That Look Like Fur Make Striking Wraps

Feathers that look like fur make one of the most striking short wraps shown in winter fashion shows. Helm designed it of down from the cormorant (an Arctic bird), whose fluffy pelt is thicker than beaver. Everybody pinched it and stroked it at the opening until it seemed in danger of being worn out. It makes a sleeveless hip-length jacket, the down shading from white next the skin to brown.

Fringe Comes Back

Black silk fringe forms the tiered effect of the skirt and emphasizes the reversed shawl line of the bodice in the dress of black silk crepe. Large clips of brilliants are fastened at each side of the neck.

CURIOSITY

There are various sorts of curiosity. One is from interest, which makes us desire to know what may be useful to us. Another is from pride, and arises from a desire of knowing what others are ignorant of.

The Man Who Knows

Whether the Remedy You are taking for Headaches, Neuralgia or Rheumatism Pains is SAFE is Your Doctor. Ask Him

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

BEFORE you take any preparation you don't know all about, for the relief of headaches; or the pains of rheumatism, neuritis or neuralgia, ask your doctor what he thinks about it—in comparison with Genuine Bayer Aspirin.

We say this because, before the discovery of Bayer Aspirin, most so-called "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice.

Countless thousands of people who have taken Bayer Aspirin year in and out without ill effect, have proved that the medical findings about its safety were correct.

Remember this: Genuine Bayer Aspirin is rated among the fastest methods yet discovered for the relief of headaches and all common pains... and safe for the average person to take regularly.

You can get real Bayer Aspirin at any drug store—simply by never asking for it by the name "aspirin" alone, but always saying BAYER ASPIRIN when you buy.
