

**Black, Wine Red, Blue Are Favorite Colors for Town**

Once again black is a favorite town color for fall, with dark blue, wine red and mustard green likewise shown. Brown and beige appear more frequently in sports frocks.

There are a number of black crepe frocks designed with slender waists and big sleeves just short of full length, which are finished with striking accents. One has a cluster of mother-of-pearl leaves at the base of the draped neckline, another is trimmed with white silk braid frogs.

**I'M SOLD**

*It always works*

Just do what hospitals do, and the doctors insist on. Use a good liquid laxative, and aid Nature to restore clocklike regularity without strain or ill effect.

A liquid can always be taken in gradually reduced doses. Reduced dosage is the real secret of relief from constipation.

Ask a doctor about this. Ask your druggist how very popular Dr. Caldwell's Syrup Pepsin has become. It gives the right kind of help, and right amount of help. Taking a little less each time, gives the bowels a chance to act of their own accord, until they are moving regularly and thoroughly without any help at all.

Dr. Caldwell's Syrup Pepsin contains senna and cascara—both natural laxatives that form no habit. The action is gentle, but sure. It will relieve any sluggishness or bilious condition due to constipation without upset.

**Scarfs in Two Tones**

Two-toned velvet scarfs in such combinations as blue and green or cardinal-purple and orange, knotted close to the throat, add a bright touch to black or neutral toned frocks.

New coats of black or wine red wool are wrapped smoothly around the figure. These were held to a straight slender line by big fastenings or crushed leather belts six inches wide and were topped by high collars of silver fox or nutria rising almost to the ears.

Woolen socks will not shrink if washed carefully in tepid water and white soap suds. Rinse in clear, lukewarm water, wring out, and hang in the air to dry quickly.

Meringue is improved by a dash of salt and a little grated lemon peel.

Sometimes roast beef gravy is light colored. If you wish it to be a rich golden brown, put sugar in frying pan until it has browned, then dissolve it in water and add to gravy.

Casserole dishes made of meat, vegetables or fish can be cooked in the morning and reheated just before they are to be served.

A squeaking in hardwood floors is caused by floors not being properly nailed or when subflooring is omitted or laid parallel to flooring strips. An experienced floor-layer will remove the squeak.

**THROUGH A Woman's Eyes**

By JEAN NEWTON

**ON THE USES OF A TRUTH SERUM**

A WOMAN under the anesthetic which we call "twilight sleep" had just given birth to a baby. The doctor wanted to weigh the baby and asked for the scales. Nobody knew where they were. Suddenly the mother, still "asleep," spoke up and said, "They are in the kitchen on the nail behind the picture!" For some time afterwards she continued "asleep" and remembered nothing of the incident.

All of which gave the doctor an idea with which he began experimenting. The result was the discovery that under the drug scopolamine people must tell the truth. It seems it puts to sleep certain sections of the brain, including that "high resistance zone" with which we tell untruths, but leaves wide open the paths leading to the area where memories are stored away. Therefore under its influence people unconsciously tell the truth—they cannot tell anything else—and science has found a "truth serum."

The most important implications of the discovery are, of course, its possibilities in the detection of criminals. But most women will share our impulse to speculate on how far-reaching would be its use nearer home.

Think what it would mean to a girl to be able to put her suitors to sleep with the truth serum. She would soon know just what it is they like about her—their true opinion of her mother—and any reservations they may have on the rights of husbands. Think, later, of the advantage of a wife who can give her husband a whiff of the truth serum before he goes to sleep. The effect on the poker of the nation might be surprising.

And the social possibilities of the truth serum are positively enormous. Imagine being able to use it on your friends. How much time we should save in finding out the real ones.

To me this is one of the most promising of modern scientific discoveries. It behooves us all to make preparations for the time when we shall all have to submit to the truth serum.
