"Crusader" Is a New Type of Light Plane

Pictured at Union Air terminal in Burbank, Calif., a new type small plane, radically different from anything yet designed. The little monoplane, known as the "Crusader," is a veritable flying wing, having a short fuselage, all of which is utilized for cabin space. The cabin is of "teardrop" shape, built to accommodate four persons, and on either side, mounted in the wing, is a supercharged Monasco engine.

Will Rogers' Steer Sold for Charity

On exhibit at the Great Western Livestock show in Los Angeles, Calif., "Old Jim," a 2,310-lb. Texas long-horn steer which belonged to Will Rogers and was considered one of his prize possessions, was sold to Los Angeles promoters at 30c per pound. The proceeds of the sale were given to the Salvation Army at the request of Mrs. Rogers.

Pique Buttons

The striking feature of this black wool crepe street frock worn by Virginia Reid, screen actress, is the clever pique buttons which trim the bodice. The pique, a waffle weave, is corded to form the round buttons which are themselves ornamented with pique "wings." The same fabric forms the muffler collar. Though the frock is cut in one piece, it is styled to give the effect of a jacket in the back. With the frock she wears a peaked hat made of ribbed black crepe.
