Golfers Rounding Into Shape

For the past few weeks the local golfers have been rounding themselves into shape for the spring and summer season. The course is now under the management of E. L. Dial, who for the past several years has been one of Vernonia's most enthusiastic golfers.

A flag tournament is being arranged for next Sunday. It will be played on a handicap basis and every one is eligible and welcome to enter. Those wishing to enter should report to the club house not later than 10 a. m. to get their flag and the handicap.

The "ladder" is being put in use again this season. All players should turn in their scores so their handicaps can be figured and their names arranged in their respective places in the ladder. Anyone whose name appears on the ladder has the privilege of challenging any one above him so as to get a better ranking on the team.

At one time Vernonia boasted of one of the best golf teams in this part of the state. They won the county championship two years in succession and are at present the holders of the Columbia county cup. Most of these old timers are still here and there is no reason why Vernonia should not have again a first class golf team.

Wrestling Fans See Wild Shindig

C. P. Linn
The wildest and wooliest shindig of the season was presented to the wrestling fans by the moan and groan boys at the Legion hall Wednesday night. The curtain raiser was a clean fast match be-

tween Bob Raymer of Camp 8 and Paul Gordon of Vernonia. Each won a fall and the time keepers bell found Bob's shoulders pretty close to the mat. The second bout between Bobby Burns and Jack Lipscomb was a knock down drag out affair with Burns taking the odd fall. Lipscomb as usual lived up to his reputation as one of the toughest of the middleweights. He used everything in the book, but Burns was just a little too fast for him.

The final match in which Don Sugai and Danny McShain continued their feud was won by Sugai in two heats. The Jap boy won the first fall with a series of double drop kicks and a body press but in the second fall McShain seemed to have things his own way with hammer locks until he lost his head and persisted on fouling the Jap. The referee finally awarded the match to Sugai. Speaking of the referee, Mr. Abdul Khan, the terrible Turk, was terrible just about like a blind umpire in a soft ball game. From the expressions of the fans the only place they would really

like to see Mr. Khan would be the chief mourner in a first class funeral. Promoter Tisdale will present another match Wednesday, May 13.

Vernonia Drops Season Opener

The Vernonia's Tualatin Valley baseball team dropped a 7 to 0 decision to Banks last Sunday.

The game was featured by sparkling infield play by both teams. The day was cloudy making a perfect setup for Stoutenburg's speed ball and he shut the locals out with three hits, two triples and a single. Bill Kenper and Cline each collected a long triple but were unable to score. Cline besides his long hit played a sparkling game at 3rd coming up with eight assists without an error. Kenper looked good at short while Holcomb and Rube Kenper kept pace with the others. Vernonia's outfield failed to spark—Gordon's 3rd base error accounting for 2 runs.

The team plays Ballin Finance, former city league entry of Portland here Sunday. Hughie Day, former Vernonia pitcher hurls for Ballin so the locals are wetting their batting eyes for their former teammate. The game starts promptly at 2:00.

The new suits for the team have not arrived as yet so the fans will have to be content with fans will have to be content with day. The new suits are white wool with black trimming which should make the locals the classiest dressed bunch of bushers in the state.

The men have all been taken off the McDonald road project and are working on a project on the Fishhawk, reports Cleve Mellinger, district road supervisor.

Judd Greenman was in Portland yesterday.

Bert Mills, candidate for county commissioner in the republican primaries, was in Scappoose the first of the week in the interest of his campaign.

ANNOUNCEMENT

I hereby announce that I will be a candidate for the democratic nomination for county commissioner in the primary election to be held May 15.

If re-nominated and re-elected I will serve the interests of the people to the best of my ability.

Wm. Pringle, Sr.

Mrs. Ray D. Fisher addressed Miss Amy Hughes' vocational guidance class yesterday on journalism as a career for women.

No Business

Of course there isn't—for the concern that won't try to get it. It has often been repeated that you must spend money to make money. To get business today you will have to spend money where it will do the most good. That's were the VERNONIA EAGLE enters the picture. Recent merchandising events in Vernonia have added emphasis to this statement—"Decide to give the public real values and then tell them about it forcefully and you will do the business." You have to do the deciding and then the VERNONIA EAGLE will do the telling.

Decide Now!
