INITIAL GOLF TURNOUT IS GOOD

Despite unfavorable weather and occasional showers the local golfers turned out in good style last Sunday for the opening flag tournament of the season. Merle Ruhl won first prize playing a 10 handicap. He completed 18 holes and had two strokes left for the 19th. Albert Childs won second, also playing a 10 handicap. Tom Brown took the third prize.

A mixed two ball foursome had been planned for this coming Sunday but will have to be postponed. It seems that the weather has kept the ladies off the course too much and they are not quite ready to do their stuff with the masculine golfers yet. Better get busy ladies, the men are getting quite a start on you even tho—an occasional shower does make them retreat to some fir tree for shelter.

Dr. Eby says he and Molly are going to ride their new bicycles to the golf course. If they do we are just wondering if they will be able to play any golf when they get there. It has been suggested that Hale Greenman get some glasses. We are certain that he needs them for he stood right in the center of number nine fairway Sunday and whiffed one completely. He says he wants his handicap raised to about 26, but we are of the opinion that a little more practice will do the trick.

The caddies have a new set of rules by which they are governed now and after reading them just once they showed remarkable improvements. A few more Sundays and they will be first class caddies at the rate they are going.

Mr. Dial is making a very liberal offer to all beginners and any one interested in taking up golf, especially young men and young ladies should see him about it.

SNAPPY WRESTLING MATCH LINED UP

Promotor Bert Tisdale has lined up what promises to be the best wrestling match of the season for next Wednesday night, the 13th. In the top spot Bobby Burns the Irish flash from Vermont will tangle with Abdul Khan, the detested Afghanistan the erstwhile terrible referee. As a referee Mr. Khan was terrible but don't mistake but what he can wrestle. He is one of the meanest of the roughnecks. We will all be pulling for Bobby but don't bet too much money on the outcome. The semi final is what we have all been looking for, the hard to get match between Walter Tinket Achiu, the sensational Chinaman and Ben Sherman, Portland's speedy Jewish boy. Both of these boys are clever, fast and clean wrestlers who can pack more thrills into 30 minutes of wrestling than any two men in the world. Don't miss this one if you want to see the wrestling classic of a lifetime. The three round preliminary has not been signed yet. The promotor is trying to bring Paul Gordon and Louis Kopoulos together. So far Mr. Kopoulos doesn't care much to tangle with the school teacher. Harry Elliot the popular referee from Portland will officiate. The first bout starts promptly at 8:30.

VERNONIA TEAM TO PLAY AMITY SUNDAY

After being rained out of the Ballin Finance game last Sunday, Vernonia hopes for better luck next Sunday when a trip to Amity is scheduled to play the strong Amity team.

Manager Glen Hawkins reports signing a new outfielder by the name of Krieger who has a fine rep. As for the infield, its the best in the league already, claims Glen.

The team will blossom out in their new suits at the Amity game. Risebeck is stated to pitch and Turple to catch.

STORM for Commissioner

The reason I am a candidate for County Commissioner is that the county business is badly managed, money wasted, tools and equipment neglected, employees badly selected, and common labor underpaid. We will never prosper by reduced wages. Taxes can be reduced by creating departments for each commissioner and fixing responsibility so there can be no buck passing.

I am against all waste and special privileges. I am for lower taxes, a square deal for the farmer and laborer.

Democratic Primaries.

ANNOUNCEMENT

I hereby announce that I will be a candidate for the democratic nomination for county commissioner in the primary election to be held May 15.

If re-nominated and re-elected I will serve the interests of the people to the best of my ability.
