Patented RANGE

The extension firebox utilizing the famous LANG preheat draft principle, measures 21 inches long by 8 inches wide by 8 inches deep. This permits burning 18 inch to 20 inch wood. The Westwood has the patented double draft solid bottom firebox.

The WESTWOOD has no ash pan allowing the increased 28 inch oven space. Charcoal waste is burned in this firebox.

Ranges may be ordered in nickel trim, in porcelain enamel trim or in all porcelain enamel in choice of white, apple green, sandtone or combination of these colors in two-tone. Ranges may be filled with water coil, reservoir, electric or gas plate.
