Saturday

I. O. O. F. Hall

Notice is hereby given that an election will be held in School District No. 47 of Columbia County, State of Oregon, at the Washington school in said district, on the 15th day of June, 1936, at 8:00 p. m. for the purpose of submitting to the legal voters of said district the question of increasing the tax levy for the years 1935-36 over the amount limited by section 11, article XI, of the constitution of Oregon.

The reasons for increasing such levy are: Due to a clerical error, several years ago, the clerk of this district submitted the budget to the County Assessor several thousand dollars lower than it had actually been voted. This error has lowered the base of this district to the extent that it will be necessary to vote in excess to the 6 per cent limitation in order to carry on the school.

The amount of tax in excess of the 6 per cent limitation proposed to be levied is \$20,877.61.

Chairman, Board of Directors
