**Pig Refrigerator Saving**

Paterson now makes it possible for you to purchase New 1937 8-Foot Electric Refrigerators for the same price as regularly charged for 6-foot, single cylinder models. The Big, Beautiful 8-Foot Models are all equipped with a two cylinder motor that uses less current and costs less to operate than other 1-cylinder motors on other makes.

It is hard to believe, but you can actually put 2 full grown chickens in the freezing cabinet and still have room for 2 ice trays and a large beef steak. Come in, and we will show you.

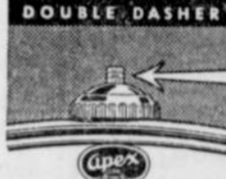

Another Surprise! There are 5 trays, and three of these are Slide A Trays, which slide out, and saves reaching back in the refrigerator. There are also 2 extra shelves, built in thermometer, and 15 actual freezing speeds, and other features, too numerous to mention. Come in and look these over and we know that you will be astonished at the Beauty, Size, Conveniences, Advantages, and Low Price.

REMEMBER: You can buy 8 foot refrigerators for the same price as other makes in 6-foot models.

We do not know how long we will be able to get these at these low prices, so

come in and look them over and place your order at once. Today-Tomorrow may be too late. Prices are bound to advance soon, buy now and save up to \$50.00 on your refrigerator at PATERSONS.
