

**STATE MOTOR ASSOCIATION
SPONSORS SAFETY PLEDGE**

—o—
"I will drive carefully at all times, keeping hands on wheel, eyes on road, mind on driving. I will learn, respect and obey the safety rules."

Striving to stem the flux of traffic disaster scouraging Oregon, thus will every motorist in the state be given an opportunity to allie himself with Oregon's

crusade against death.

The motorist's "White Cross Safety Pledge" bearing the signature of the car's operator, is contained on a small red, white and blue sticker to be attached in the lower right-hand corner of the windshield. It will signify the driver's sincere intention to drive safely.

The pledge is sponsored by the Oregon State Motor association and other safety leaders as a

part of the traffic safety program of education, engineering and enforcement.

Motorists will be asked to sign the pledge only with the understanding that they will accept, as the pledge outlines their clear-cut duty to conserve life and prevent suffering and injury with every means in their power, the safety leaders aver.

Three out of five fatal vehicu-

lar accidents are caused by some negligence of the man behind the wheel, the motor association points out. To motorists desiring to lend their support in the battle against this needless toll, the pledge will be available throughout the state at offices of the motor club. Here is can be obtained at the office of this newspaper, the chamber of commerce, and any official appointment of the Oregon State Motor

association.

The support of every owner registering his car with the Secretary of State will be requested. Through the cooperation of James H. Cassoll, president of the Oregon Automobile, purchasers of new and used cars will be given a chance to take the pledge of safe driving.

Mr. and Mrs. Paul Thompson were at Seaview over the week end.
