Potatoes for Short Cakes.—Hot, boiled and mashed white potatoes are good in making short cakes and puddings. They not only save flour, but require less shortening.

Removing Scorch Marks.—Scorch marks can be removed from linen by boiling together the juice of an onion, one ounce fullers' earth, one-quarter ounce shredded soap, and one teacupful vinegar. Allow the paste to dry on, then brush off and wash in the usual way.

Crab Apple Jelly.—Take one pint of water to every pound of apples, and boil until soft. Then put through jelly-bag. Allow one pound of sugar and a tablespoonful of vinegar to every pint of liquid, and boil for half an hour or until it jellies.

Cleaning Enameled Sinks.—Those stubborn dark streaks which accumulate on enameled sinks and bathtubs can be removed with kerosene.

When Peeling Small Onions.—Cover small onions with hot water and let stand for a minute or two and the skins are easily removed.

Johnny Cake.—One cup yellow corn meal, one cup bread flour, one-third cup sugar, one and one-half cups sour milk, half teaspoon soda, half teaspoon baking powder, one teaspoon salt. Mix and sift the dry ingredients twice, and gradually add the sour milk. Beat well, and bake in a shallow greased pan, in a moderate oven. WNU Service.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder may be burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

CONFEDERATE SOLDIERS AT THE BATTLE OF STOVE TAVERN, VIRGINIA, USED BITS OF IRON TO SHIELD FROM THE UNION SHELLS THE GRAVE OF A UNION CAPTAIN FROM NEW JERSEY - JUNE 3, 1863. (SEE UNDERWRITER)

Capt. Robert O'Neill, U. S. A., was stationed at Stove Tavern when the Civil war broke out. He led a company of Union troops in the defense of three plantations when marauding negroes attacked the owners right after the Fort Sumter incident. In the course of the skirmish—in which Union soldiers protected Southerners—he was shot to death. His grave is still decorated every Memorial day. That ceremony is probably the only one held on May 30 in the South.

WHO'S NEWS THIS WEEK...
By Lemuel F. Parton

NEW YORK.—Virginio Gayda, Il Duce's official spokesman, sounds like a fire-eater, denouncing England for her "dark and treacherous role," but in person he isn't like that at all. I remember talking to him in the studio of a British artist in Rome soon after Mussolini seized power. He is a gentle, scholarly man, hesitant in speech, giving one the impression of wide tolerance and understanding. Quite astonishing was his brass-throated warning to the world, as Il Duce's sounding board. He talks like Charles Evans Hughes and writes like General Johnson.

He is accepted in Europe as merely Mussolini's Charlie McCarthy. But he is a lot more than just a ventriloquist's dummy. One of the most powerful and brilliant journalists in Italy, he helped build the first scaffolding of fascism, and has been one of its cleverest rationalizers.

He is at his best in what appears to be a scholarly condemnation of democracy and exaltation of fascism. But his journalistic alter ego is an expert dynamiter, and all Il Duce has to do is to stick out his chin to get a devastating blast from Signor Gayda's typewriter.

Duce's Stogie Began Career as Attorney

He is forty-two years old, educated in law at Turin university. Turning from the law to newspaper work, he was the central and western correspondent for Stampa, of Turin. He was in Russia when the war started, and was taken into the political and military service. Later, he was in the diplomatic service in Sweden and London.

In 1921, he returned to active journalism, as editor of the Messagero of Rome and in 1926 became editor of the Giornale d'Italia.

In his spokesmanship, there is to be traced no official connection with the government. Any expedient retraction would involve only Signor Gayda, with no governmental face-saving necessary.

Just now, he thunders against England, but with no such reverberation as that of the Ethiopian antiphon of hate. Informed opinion in Europe is that Italy is turning more toward England because Eng-

Wrong Number in Japan

The Japanese are superstitious and will not have a telephone with an unlucky number. The number "4," for example, is practically barred because the word for four, "shi," sounds almost the same as the word for death. The only exception is that where pronouncing the complete number also conveys a happy thought.

The number 4919 is a good example. Although it contains the dreaded 4, Japanese get around it by using the word "yo" instead of "shi," and then the phrase is "yo-ku-i-ku" (4919), meaning "everything goes well."

But this is a very definite exception, for the word "nine" has the same meaning as "sadness," and Japanese therefore shun it.

A Three Days' Cough Is Your Danger Signal

No matter how many medicines you have tried for your cough, chest cold, or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel the germ-laden phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained from the very first bottle. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)
