At a luncheon meeting called Tuesday, October 19, the Student Council decided to have a dance and carnival. The dance is scheduled for this evening, and the carnival will be held November 19.

Plans are under way for the two events and both are expected to be a great success.

### Delegates to Be Sent to Eugene

Elizabeth Schalock and Kiyoko Kuge were chosen as the two delegates to attend the Univer-

sity of Oregon press conference to be held on October 29 and 30 at Eugene.

### GIRLS' LEAGUE

Members assembled for the regular Girls' League meeting Monday at which time the conference at Clatskanie was reported.

Louise French reported on the financial group which she attended. La Verne Thompson told about the various activities other schools were sponsoring and Dorothy Myers reported on the programs and meetings.

The girls made a fine representation, reported a grand time,

and returned with an inspiration to improve their own league.

After the reports on the conference, Gertude McCabe and Daisy MacDonald talked about various phases of conduct in public.

Serving tea will be next week's topic on which Lillian Hedman, Bertha Thompson and Frances Childs were appointed to give reports.

### PRESS CLUB

The Timberline staff has discussed the advisability of changing the name "The Timberline" which represents that activity to the "Press Club". The school paper, "The Timberline" would then be one of the projects that

the Press club would have. They would also have other projects such as getting material for the Eagle, etc. This has not yet been decided upon, however. The staff also decided to visit the Eagle office in the near future to see how the local paper is printed.
