

HALE GREENMAN IS MARRIED IN PORTLAND

Miss Harriette Brown Campbell, daughter of Mr. and Mrs. James Arthur Campbell of Beaverton, became the bride of Everett Hale Greenman of Medford, son of Mr. and Mrs. Judd Greenman, at a pretty candle-light ceremony at the home of Mrs. Palmer L. Fales in Portland, Saturday evening. The service was read by the Rev. Reginald Hicks of Hillsboro before the living room fireplace which was decorated with cream colored chrysanthemums, woodwardia fern and smilax.

The bride, given in marriage by her father, wore a dress of eggshell velvet with long sleeves and a circular train. Her tulle veil was arranged with a coronet cap, caught about her head with clusters of orange blossoms. She carried a bouquet of gardenias, lillies of the valley and stephanos.

Her only attendant was the groom's sister, Mrs. Charles L. Burrow of Vale, who wore a dress of copper leaf velvet and carried china gold pom pom chrysanthemums.

Joseph W. Campbell was best man.

Miss Margaret Simms of Salem sang preceding the ceremony. She was accompanied by J. Hutchinson, who played the wedding music.

The couple left for a short wedding trip. For traveling the bride wore a light green wool

costume, beige top coat with fox collar, and corsage of green orchids.

Mr. and Mrs. Greenman will make their home in Medford.

Among Vernonia residents attending the wedding besides members of the Greenman family were Mr. and Mrs. C. L. Anderson, Dr. and Mrs. Roland D. Eby, Mr. and Mrs. E. H. Washburn and Mr. and Mrs. William Briot.

"THE ROLL OF HONOR BANK"

Bargain Seekers!

Rule No. 2

There is no "cheap" route to Auto repairs. Repairs and their cost must be gauged by the honor and integrity of the Company making the repairs.

If an Automobile is to be repaired you actually save money by patronizing a Company whose garage contains every modern device for doing repair work.

The old hit and miss system of the now outdated monkey-wrench mechanic can no longer give you satisfactory or guaranteed repairs to your machine... The monkey-wrench kind of mechanic is no longer adapted to work on modern automobiles. No matter what your ideas may be along this line, it is affirmed by the manufacturers you are being "gypped" from the start when a monkey-wrench mechanic tampers with your machine. The modern Repair Shop not only has Factory Trained Mechanics subject to weekly examinations, but the Shop has every labor saving device necessary to speed up work and reduce Labor costs to YOU.

The Chevrolet Motor Company and General Motors Corporation have adopted the plan of reducing Labor Costs to YOU by forcing the Dealer to have Schooled Mechanics and a modern Shop. All Service Costs are being reduced to a minimum to you—that is the program—commensurate with first class guaranteed work.

This applies not only to actual mechanical repairs, but to your greasing, supervision of your choices of oil and grease. Go to a General Motors Dealership for Guaranteed and Money Saving work on your car.
