Assembly of God Church

—Merle A. Glew, Pastor

In spite of the bad weather of last Sunday our Sunday School convened at 9:45 a. m. with a few more scholars than usual. We are happy for some whose experience with God is deep enough that the weather does not effect it. Next Sunday we study together in the School "The Victory at Gideon;" a most beneficial time is promised those who attend.

Morning Worship at 11:00 and an Evangelistic service at 7:30 p.m. Wednesday at 7:30 a Prayer meeting.

Thursday at 7:30 a Cottage Meeting in the Riverview district. People in this vicinity are cordially invited to attend these meetings. Our discussion on various Biblical questions are proving quite interesting.

Friday night at 7:30 we have our Bible Study.

Saturday 2:30 p. m. a Children's Church.

All are invited to attend these meetings.

JUNIOR PLAY A SUCCESS

A large and appreciative audience attended the Junior play, "Polishing Papa," which was given last Friday at the Washington grade school.

Although this was a royalty play and financial conditions are not good in general, the Juniors made a net profit of \$67.21.

JUNIOR PLAY CAST AND CLASS HAVE PARTIES

Last Friday after the Junior play the cast enjoyed a party given at Junior Thompson's home. Games were played including "Itsy Bitty Boo", (you must play it sometime!) Later refreshments, ice cream and cake, were served.

The Friday night party was such a success that it was decided to have another one Saturday night. This was a class party held at the Legion Hall. The radio furnished music for dancing. Miss Cook acted as chaperon.

AGRICULTURAL CONFERENCE

(Continued from page 1.)

by Jarvis Davis, who is serving as general chairman for the day. Agricultural planning and its effect on Columbia county agriculture will be discussed by County Agent Nelson. Miss Joan Patterson, House Furnishings Specialist, will discuss farm home and rural life problems in Columbia county.

The first committee report to be discussed will be that dealing with farm home and rural life. Following this will be a consideration of the facts gathered by the land use committee, after which long-time agricultural planning and its relationship to the present agricultural outlook will be discussed. Discussions of the reports of the committees on crop acreage and on livestock and grazing problems will conclude the day's program. Roger

Morris, Dairy Husbandryman, will discuss some important facts in connection with the farm outlook the beginning of the afternoon discussion.

Those in charge are emphasizing the desirability of general discussion of the facts presented before reports and recommendations are finally adopted.

This conference is just another step in the successful 15-year organized effort of Oregon farmers, working with the extension service, to keep the state's agricultural industry on a profitable and permanent basis, points out County Agent Nelson.

Married Lady Should Report To Uncle Sam

If Under Social Security Act, This Information Regarded Important

Brides of 1937-38 who obtained social security account cards before their marriage, and have given their new names to their employers, were requested by the Social Security Board today to file their new legal names to prevent confusion in keeping their wage accounts for Federal Old-Age Insurance.

James E. Peebles, Portland Manager of the Social Security Board, explained that since wage accounts are kept in the name the worker gives the employer, individuals who change their legal names should correct their records to insure the

accurate recording of their wage—"Wage information reports filed by employers indicate that many employees have gone to work on new jobs under new names without notifying the Board of the change" Peebles said. "This complicates the keeping of accounts and might make it difficult to ascertain the full amount of benefits to which these persons will be entitled."

A special form for filing the necessary information and securing a corrected account card, with the old number but showing the new name, may be obtained at the Board's Portland office, 105 Old Post Office Building.

Deborah Circle—

The Deborah Circle met at the home of Mrs. Walter Thompson February 1 for their regular monthly meeting and a shower for Mrs. G. R. Wilbur. There were twenty members present and four visitors. Refreshments were served after the shower.
