

A Few Splinters From V. H. S.

SENIORS CHOOSE MYSTERY PLAY

"Green Light" has been chosen by the seniors for their class play which will be given in April.

This play, a mystery, is not to be confused with the novel by Douglass or the play adapted from that novel. Tryouts will be held as soon as the books arrive and practice should begin within the next two weeks.

PROM PLANS UNDER WAY

Plans for the Junior prom are under way. At a class meeting Friday 11, the Juniors discussed possible dates open for the affair and what types of decorations that could be used.

The president, Junior Thompson, appointed committees to develop plans. The committees consisted of Bonnie Arner, Jack Anderson and Bobbie Bassett, Music; Elizabeth Schalock, Montana French and Kiyoko Kuge, invitations; and Hazel Parker, Junior Thompson and Juanita Morris, prom motif.

FRIDAY ENDS SIX-WEEKS PERIOD

This Friday, February 25, terminates the first six weeks of the semester. Tests are being given this week and the report cards will be handed out next Tuesday.

DANCE SATURDAY NIGHT

Your way should lead to the I.O.O.F. hall Saturday evening, February 26, where you can dance a merry jig to tunes played by the high school Swingsters. The music will begin at 9 o'clock. Admission will be 25 cents for high school students and 35 cents for adults.

WASHINGTON'S BIRTHDAY OBSERVED

A program was presented at the Washington grade school February 22, in honor of the birthday of the first president of our country, George Washington. Both high and grade school pupils and teachers attended.

Following the flag salute and the singing of the Star Spangled Banner, Mr. Condit spoke presenting in words "A Picture of Washington". Barbara Heinueller played a violin solo, Norman Crowder, Margaret Haimen and Fred Thompson gave speeches on appropriate topics. The glee club sang "Old Glory".

All present sang "America" following which they were dismissed.

STUDENTS HEAR PORTLAND SPEAKER

Mr. Charles Walker, president of the Northwestern School of Commerce, spoke to the students of the high school and the seventh and eighth grades in a combined assembly at the high school auditorium Friday morning.

He said that the average applicant for a business position lacked first, a knowledge of English; second, a knowledge of spelling; and thirdly, an aptitude for etiquette. He advised placing stress on these points if one aspired success in business nowadays.

GIRLS' LEAGUE GIVEN LUNCHEON

The Girls' League served luncheon to approximately fifty students and teachers Friday, February 11. Members of the league, faculty members and senior boys were invited. His was one of a series of money-making events planned by the finance committee of the organization to raise the desired quota.

PEP CLUB INITIATES

The PEP club initiated three new members Thursday, February 17. There is a restriction on the number of members, only fifteen to be in the club. There are twelve charter members, which allowed three new members, Montana French, Kiyoko Kuge and Juanita Morris.

But woe—, what did they do to receive their membership? So simple, Juanita just measured the incline with a toothpick. Kiyoko only had to scrub the floor in front of the office with a small cloth while Mr. McEntire, so willingly, made more nice tracks for her to scrub. Montana didn't show up during the noon hour, so she had to do all the dishes after the party which was held in the evening in the Home Economics room.

A short business meeting was held at which Miss Hughes was elected adviser for the club.

General Motors has contracted for \$100,000 worth of exhibit space at the 1939 Golden Gate International Exposition at which it will dramatically display automotive and household products in the Vacationland Building.

At the Churches . .

Christian Church

The Livingstones, Ministers Unified morning service begins at 9:45 and closes at 11:20. Sermon to children, Communion service, sermon to adults on the subject, "Men vs. God". Study of the Bible lesson under competent instructors. New large chorus will sing.

Evening service: Christian Endeavors at 6:30 in their respective rooms. Song and Praise service at 7:30 in the auditorium led by the chorus. Evening sermon by the pastor on the subject, "A Gospel That Needs no Apology."

Prayer meeting every Wednesday evening at 7:30. The public is cordially invited to attend all the services of the church.

Evangelical Church

Harvey R. Scheuerman, Minister 9:45 Church School with classes for all under the supervision of O. G. Weed.

11:00 Morning worship with a reverent atmosphere, special music and sermon from the subject, "The Head of the Corner".

6:30 The Christian Endeavor groups meet for topic study and discussion. All young people invited.

7:30 Evangelistic, the pastor speaking from the subject, "The Bowing World".

The Deborah circle meets Tuesday afternoon at 2 o'clock, March 1. The Women's Missionary society meets Wednesday afternoon at 2 in the church. The self-denial offering will be taken.

Wednesday evening at 7:30 is the regular mid-week devotions.

Friday evening at 7:30 the regular choir rehearsal at the parsonage.

A cordial invitation is extended to the community to attend all our services.

At Random In the Grades

(By June McKay)

The seventh and eighth grades were dismissed from school two times last week to go to the high school. One speaker was Mr. Melvin B. Wire from the Oregon State Game Commission. He showed some pictures having to do with fish and game. The other man was Mr. Charles Walker from the Northwestern School of Commerce.

Every Friday morning the last period there is an assembly in the auditorium. There are short programs given by students and speeches by the different teachers or by Mr. Condit.

Doald Olson in the first B section was taken to Portland Tuesday noon from a rusty needle breaking off in his hand. The needle was not seen and many such dirty and rusty objects were found in the walls of their home. He ran his hand into it by laying his hand on the wall.

Tuesday, February 22, there was an assembly in the auditorium of the grade school, which the high school attended. At the opening of the program the orchestra played. Mr. McCrae, from the high school, introduced Ralph Bennett who led the flag salute, followed by the "Star Spangled Baanner". Mr. Condit then gave a selection on the picture of Washington by Stuart, hanging in most homes. Barbara Heimuller then gave a violin solo, "Carry Me Back to Old Virginia." Mr. McCrae then spoke on the subject of Washington. Following Mr. McCrae was a speech by Norman Crowder from the high school. Following this the glee club from the high school sang "Old Glory". Margaret Haimen then gave a speech on Washington's "Book of Rules" which he made when he was fifteen years old. "Patriotic Picturesque" by Fred Thompson followed Margaret's speech. It was mostly about an incident in the Revolutionary war. School was dismissed for the day after the program was over.

MIST LADY FETED WITH PARTY FRIDAY EVENING

MIST—(Special to The Eagle)—Julian DeRock spent the weekend at Mist with relatives.

A party was given for Mrs. Kenneth Smith at her home Friday night.

George Christiansen, Thomas Osborn and Marion Steers motored to Portland Monday on business. Mr. Christiansen had to stay to see doctors for a few days.

Iris Turner, who is now staying in Vernonia, spent the weekend with Edith Christiansen.

The dance at Natal was a great success. A large crowd attended and a good time was had by all.

A birthday party was given for George Christiansen, jr. Friday night.

Mr. and Mrs. Otto Bittner were Clatskanie visitors Saturday. Lloyd Osborn is staying with Otto Bittner while cutting wood.

Mrs. W. H. Young, who has been staying in Portland because of illness, is now visiting her daughter

Mrs. George Christiansen.

Mrs. Peterson is on the sick list this week.

Casper Label of Bend is visiting his son, J. O. Libel.

A birthday party was given in honor of Frank Banzer at his home by Mr. and Mrs. Noble Dunlap. Those attending were Mr. Neurer, Miss Olga Honstrom, and Mr. and Mrs. Robert Lindsay. The evening was spent playing cards and a nice lunch was served at a late hour.

SMALLPOX PERMIT IS SOUGHT

(Continued from page 1.)

disappear in two or three days.

"In the absence of an epidemic all infants should be vaccinated between the second and ninth month. Revaccination should be repeated every five or six years. The immunity to smallpox resulting from vaccination while not 100 per cent, is very nearly complete particularly when the successful vaccination has been comparatively recent. Cases of mild smallpox have been reported

in people who have been vaccinated but such instances are rare. In fact comparatively few instances of smallpox have occurred within six years of a good vaccination. Vaccination at infancy, at six and eleven years, in most cases, gives protection for life. Proof of the efficiency of vaccination is plentiful.

"There are still arguments from various sources against vaccination but these are usually from people seeking notoriety or publicity of some sort. Most of the arguments advanced against it are founded either on profound ignorance of the subject or on actual false statements which are innocently or intentionally misleading.

"The risk of vaccination should be no greater than the risk which follows any other scratch or break in the skin. Undoubtedly the safest method of vaccination is the acupuncture method. The skin of the area chosen is cleansed with soap and water and then sponged with acetone or alcohol which must be allowed to dry thoroughly. A drop of the vaccine is placed on the skin

and a sterile needle is pressed against the skin the needle being held parallel with the surface of the skin. This operation is repeated about six times within an area of about one-eighth of an inch. No dressing is required and the only treatment necessary is to keep the site cool and dry and to allow the free circulation of air over the vaccination. Secondary infections are rare when this method is used. When they occur they should be treated by the physician like any other infection. It is every persons duty to himself and to his community to maintain a personal immunity against smallpox by means of vaccination."

Hundreds of pieces of statuary are now being modeled in San Francisco ateliers for the 1939 Golden Gate International Exposition.
