The next meeting of the club will be June 14 at the home of Mrs. Bays.

### Columbia County Pomona Grange Meets—

Saturday, May 7, was the date of the meeting of the Columbia County Pomona Grange at Birkenfeld. All Granges of the county were represented at attendance except South Scappoose and Beaver Homes.

Committee reports made by the Agricultural committee showed better organization and efficiency. An interesting future development was promised in the announcement of a meeting to be held in June at the Jewell experiment for the purpose of studying the possibilities of seeding logged-off land for stock pasturing. This meeting is to be joint with Clatsop county.

Report of the Grange committee on the 7-County Utility District was encouraging, since the rural districts of the county carried at the special election.

J. F. Becker was elected to the State Grange at Klamath Falls in June, with A. L. Parker as alternate. This will be an important session since plans must be made for the entertainment of the National Grange in November.

Plans were made for the annual Pomona Grange picnic at Big Eddy park, the committee appointed as follows: Inez Langdon, J. D. Perry, Maude Purvine, Geo. A. Nelson and Marion Steers. Clatsop county Grangers are invited to attend the picnic.

Trees of a kind not now growing on the Big Eddy park are to be planted there in honor of the 150th anniversary of the U. S. Constitution, and suitable markers provided. J. D. Perry presented the cost of one marker, and two more were provided by the means of a free will offering. It is planned to procure trees from the State Forestry nursery at Corvallis.

The Fifth Degree was exemplified in the evening for a class of 22 candidates, with Clatsop County Pomona officers acting as drill team which they did in a very pleasing manner.

A program consisting of music, drills and readings rounded out the day.

Winema Grange acting as hostess entertained bountifully, and received thanks of visiting Grangers for their hospitality.

The next meeting of Pomona will be with Chapman Grange, with plans to entertain at the U. H. S. auditorium at Scappoose.—Pearl Becker, secretary.

## News of the Theatre

### GRACIE ALLEN BECOMES "EINSTEIN" FOR A DAY—

Gracie Allen became a Phi Beta Kappa during the filming of her new picture, "College Swing"!

Although her fame only lasted a day, it had George Burns scared to death and he breathed a sigh of relief when the harrowing experience was over. It seems that Gracie picked up this badge of intellectual genius on the floor of one of the sound stages and pinned it on until she found the rightful owner. It turned out to be the prize possession of an assistant director, to whom Gracie reluctantly returned it after her single day of fame.

University life forms the background for "College Swing," the musical rampage of high jinx on the campus, which opens Sunday at the Joy Theatre.

### WILLIAM BOYD MAKES EIGHTEENTH "CASSIDY"—

Mark another one on the scoreboard for "Hopalong Cassidy."

With the showing of "Heart of Arizona" at the Joy Theatre starting Tuesday the score will be eighteen "Hopalong Cassidy" pictures in succession for William Boyd, the smiling two-gun hero of the popular outdoor action series. Boyd again plays the central figure in this new adventure of cattle rustling in the old Southwest.

### LATEST "DRUMMOND" HAS HOWARD AS SLEUTH—

Number six is here!

"Bulldog Drummond's Peril," the new Paramount mystery drama, featuring John Barrymore, John Howard and Louise Campbell, which will be seen on the screen of the Joy Theatre beginning next Tuesday, is the sixth motion picture from the pen of H. C. (Sapper) McNeile to be built around the character of the dapper amateur detective.
