The Forum

The Vernonia Eagle, Vernonia, Oregon
Dear Sir:

A band has been organized in Wilark at the request of several interested parties.

This group, which is pretty well organized, consists of a group of advanced children, also belonging to the local (town) band, a group of Wilark youngsters who could not take advantage of band privileges in Vernonia, a group of married members who are learning or returning to band activities, and three members who have been denied band privileges in Vernonia.

The purpose of this group is solely for pleasure, for themselves and others.

There is no intention of interfering with the activities of the Vernonia band.

We have the support of our own community and also, Frank Baker, camp superintendent, who has donated the camp community hall and necessary repairs, which we appreciate very much and are taking full advantage of its use.

Mrs. Raymond Beeler

Offers Clothing—

J. Hursh announces this week that he is desirous of clearing much of his ladies' second hand clothing at his Bargain store and is consequently offering it at reduced prices, starting Saturday, in the location formerly occupied by Turk's Cafe.
