

# Vernonia Eagle

VOLUME 15, NUMBER 21 VERNONIA, COLUMBIA COUNTY, OREGON FRIDAY, MAY 27, 1938

## Only One Week Remains 'Til Eagle Cooking School; Many Prizes to Be Awarded 3 Days

NOTE: Due to the booking of "Snow White and the Seven Dwarfs," the Saturday showing of the Eagle's Moving Picture Cooking School will start at the Joy Theatre at 12:45 sharp. The "Snow White" showing is billed to follow at the close of the school and prize drawings. Thursday and Friday cooking school showings start at 2:30 sharp.

Lock the doors and come to town.

The Eagle's Motion Picture Cooking School entitled "Star in My Kitchen" will be the real community attraction for three days at the Joy Theatre starting June 2.

This fascinating and different cooking school is open entirely free to every woman in town, and The Eagle as well as Vernonia merchants extend this invitation to join in the home-making lessons and jolly entertainment for at least one day.

The Motion Picture Cooking School will be a practical rally of home-makers to contribute fresh perspective for the "same old job," the monotonous day-in-and-day-out job, yet the most important business in the world. Just as men have their annual conventions, where they listen to lectures from specialists, local women will have their convention to consider home-making problems.

Just as fresh inspiration for the old job is one of the by-products of the familiar cooking school, which presents a lecturer in a model kitchen, so are new ideas and keen incentive born in the film class for home-makers, with its novel approach and modern setting.

No "false-front" camera-beautiful kitchens satisfied these specialists. They insisted on working in complete, compact, modern kitchens, which actually reflect more scientific ingenuity and careful planning than any living room.

Recognizing the demands of home experts, the producers of "Star in My Kitchen" signed all-star kitchens, with an all-star cast, adding, a continual procession of close-ups. (Continued on page 6.)

### Local Youths to Present Concert Monday Afternoon in Portland Park

The Vernonia Junior band, under the direction of C. R. Watts, has been invited and will play a concert Monday, May 20, at the Jantzen beach park, a report this week states.

The affair will mark the attendance there of many people from this district and will attract considerable attention for the young bandsters, the report indicates.

Director Watts stated that a bus would be chartered to take the musicians to the park. Free rides and admissions to the concessions will be granted the children, the invitation said.

The concert starts at 2 p. m.

## Memorial Program Outlined

### Relief Corps Announces Plans for Parade, Patriotic Dinner

Vernonia's Memorial Day observances plans were announced yesterday by the Women's Relief Corp., through Mrs. Chas. Justice.

Starting promptly at 10 a. m. from the Washington grade school, the annual parade of local organizations will be viewed. Headed by the Vernonia Junior band under the direction of C. R. Watts, the parade will move west on Bridge, counter march to the grade school for dispersing.

A bouquet of the season's flowers is to be cast into the water at the bridge, according to plans, during a brief ceremony planned in honor of the dead. Following the parade, the American Legion and Auxiliary will go to the cemetery where a volley is to be fired as a gesture to war dead. A brief ceremony will probably be held there during the time.

The parade, aside from the band, will contain marching units from the Legion and Auxiliary, as well as the Relief Corps and Boy Scouts.

At noon the ladies have planned a potluck dinner at the I.O.O.F. hall and have extended a general invitation to the public.

## Rules for Pool's Use Are Set out

### Care Being Taken to Eliminate Casualties at the Swimming Site

The city park board devised and sought publication yesterday of rules which will govern the use of the swimming pool at Rock creek, to be known officially as Dewey Pool in Nehalia park and playground.

The board is extremely anxious to eliminate any casualties and the rules must be adhered to, the officials said.

No cars will be allowed on the beach. No fires can be built on the beach but must be laid below the dam or above the sand beach.

Children unable to swim will not be allowed to play near the deep water but will be restricted to the children's zone on the east side of the stream.

The dam gates must not be tampered with except by those in authority and swimmers must stay away from the overflow spaces in the dam.

No swimming or wading will be allowed below the dam.

The city council, as well as the park board, made it clear that unless adherence to the rules was noted, the dam would be taken out. "Injuries or drownings are not necessary," it was said, "and will probably not come unless these rules are disobeyed."

### To Angle—

Mr. and Mrs. Ross Duncan and Mr. and Mrs. Ed Bollinger will spend Memorial Day weekend at Madras, using that community as a headquarters point for several fishing trips on the Deschutes and Crooked rivers.

### Grandmother Here—

Mrs. Nettie Simpson of Portland returned to her home after visiting two weeks with her granddaughter, Mrs. Frank Rose.

## Vernonia Invites the World to Swim Free in Dewey Pool; Now Open

There's one place you can always go  
As the weather warms up and you want to keep cool.  
It won't cost you a cent to flit to and fro;  
In the refreshing waters down in Dewey Pool.

Yep, that's right!

She's been christened and the man upon whose shoulders has revolved much of the work, as chairman of the park board, is honored with the greatest single asset . . . the swimming pool on Rock creek . . . right in the center of town, that Vernonia now possesses.

It is Dewey Pool in Nehalia park and playground. Needless to say, L. H. Dewey's pet project is getting the largest play of any pleasure or business venture in the entire county.

With the dam in this week, and other facilities being constructed as speedily as possible, a natural playground is available for all AT NO COST every suitable day during the late spring, summer and early fall months.

The Vernonia City Council, the Vernonia Chamber of Commerce and all residents of the community, especially the incorporation taxpayers whose funds made available the current season's improvements, extend a hearty welcome and invitation to the World to swim in Vernonia's front yard.

You'll be as welcome as the first warm weather was this week. You'll be as welcome to use Dewey Pool as the pool was welcome to the more than 350 children and adults who used it yesterday.

Come to Vernonia and swim. Everyone else will.  
Keep cool in Dewey Pool!

## Scouts Plan 4-Day Hike, Vacation

### Keasey to Be Scene of Youths' Outing Activities This Week

Vernonia Boy Scouts, under the supervision of Jewell Lloyd, scoutmaster, will leave today from Vernonia and strike a direction by compass directly west and hike over hill and dale to Keasey.

Arriving at Keasey, the youths will select their bag and baggage, to be taken there by J. W. Nichols, Oregon Gas & Electric Co. manager, and make camp in two or three of the company's cabins which have been donated for the occasion.

Master Lloyd told The Eagle that parents and friends of the youths would be welcomed at the camp Sunday morning for the religious services. The trip home will be made via the Oregon-American railroad track Sunday afternoon.

### Portlanders Here—

Mr. and Mrs. Orval McCabe of Portland were house guests of Mr. and Mrs. E. M. Bollinger over the weekend. They also visited other friends in Vernonia.

## Cafe Is Total Loss

### FIRE TAKES TOLL OF VERNONIA BUSINESS AT 2:30 THIS A. M.

Fire, which evidently started in the attic, and then spread with rapidity to the entire building, razed the Bush Cafe building on Bridge street here this morning at 2:30.

Ace Lolley, night marshal, who discovered a small wisp of smoke curling from the roof, turned in the alarm, and by the time the fire department arrived, a few moments later, the entire building was encompassed in flame.

County School Superintendent W. B. Schnebly was presented and J. F. Santee, prominent state educator, delivered the address of the evening.

### FIRST RESCUE OF SEASON VIEWED AT POOL MONDAY P.M.

To Chester Bell, Vernonia, goes credit for making the first rescue of the current Vernonia swimming season. Monday evening, Little Miss "Dody" Tipton was walking on the catwalk which was yet attached to the retaining wall and slipped into the fast-filling swimming pool on Rock creek. Seeing her plight, Bell plunged in clothes and all, to pull the little tot into shore and perhaps saved her from strangulation before others would have effected the rescue.

## Apparel Shop Moves to New Location

### To Move from Present Location in Riverview to Modern Building

Mrs. Peggy Hatfield, proprietor of the Apparel Shop, announces in this issue of The Eagle the removal of her stock and fixtures from the location on the north side of Bridge street to the Brickel building, formerly occupied by Dick's Store.

The new location now houses the shop's stock, and in addition, gives the store added facility in the way of room. Several improvements are to be made, included in them will be new floor covering.

## Wm. Manthey Passes in Portland

### Well Known Vernonia Man Dies After Brief Illness; Remains in Tacoma

Prior to Mr. Manthey's affiliation with the local company, he had been superintendent for Clark & Wilson at Wauna. He became seriously ill about five weeks ago and was removed to St. Vincent's hospital in Portland.

### C. F. HIEBER IS DISAPPOINTED THRU POLITICAL TURN

C. F. Hieber, one of the few remaining admitted Republicans of the Vernonia community, has been accused of being everything from a Carpetbagger to a Socialist by his friends but his most recent political escapade came Friday when he just missed being a Democratic candidate by one vote. His Democratic friends (and he has some Democratic friends) insisted on writing in his name for Justice of Peace for this district. The incumbent, Judge Hill, beat the well known GOP man by one vote on the Democratic ticket. The vote was heavy, 10-9.

Though there were several hotly contested positions in county politics last Friday, the entire stage, for Democrats and Republicans, was stolen by the Governor Martin-Henry Hess battle for the Democratic nomination for the state's chief executive nomination.

Hess won the nomination by 7,000—plus votes tabulated from over the state and with only one precinct remaining, according to information gleaned yesterday by The Eagle. Following are the complete, unofficial Columbia county returns: **DEMOCRATIC RESULTS—**
