

## LET'S BE SOCIABLE

### County-Wide I.O.O.F. Picnic Slated for Clatskanie July 31—

From Jack Miller, Clatskanie committeeman, comes the following invitation to Vernonia and district I.O.O.F. and Rebekah members to participate in the county-wide fraternal picnic at Clatskanie Sunday, July 31:

"Vernonia Odd Fellows Lodge  
"Vernonia, Oregon  
"Dear Friends and Brothers:

"Our annual county picnic will be held at the city park in Clatskanie on the last Sunday of this month, July 31.

"At this time we cordially request that you brothers with your families and friends try to the best of your abilities to be present for this occasion. We have plans made for a picnic lunch at 12:30 p.m. with coffee, sugar and cream being furnished. There will be the regular park and equipment which includes swings, slides, bars and so forth to provide the necessary recreational facilities for the younger children. An afternoon of softball is planned which will be entertaining to watch as well as being enjoyable to participate in for those chosen. Along with this, special musical numbers and several short speeches will be heard. There will be horse shoes for those enjoying this sport.

"It is our desire that each and everyone who comes has an enjoyable time and we are doing our very best to make arrangements so that this can be possible. We plan to be ready to disband at 4:30 p.m. thus allowing those who cannot ordinarily stay longer to remain until the very end. In this regard, however, the park will be ours for the day and anyone wishing to stay for your evening meal in the park can make arrangement at his own pleasure.

"Our one request is that you

bring your own coffee cups along with your picnic lunch and come prepared for a day of wholesome entertainment.

"Fraternally yours,  
"Clatskanie Lodge I.O.O.F. No 160"

### Illustrated Talk Presented K. of P. Members—

R. D. Kaufman of San Gabriel, California, was present last Monday evening at the Knights of Pythias meeting and presented an illustrated talk of a recent journey taken to the Hawaiian Islands through the facilities of his company, the Southwestern and Portland Cement Co. Mr. Kaufman, an amateur camera enthusiast snapped photos of scenes encountered during his visit and presented them with explanatory remarks to the gathering.

### Rock Creek Club—

Due to inclement weather Sunday, the scheduled weiner roast and picnic due at Arcadia park by the Rock Creek Social club was postponed, but was held in the evening at the Walter Parker home.

A generous attendance was reported and a social time enjoyed.

### Celebrate Anniversary—

Mr. and Mrs. Wallace Bergerson of Rock creek celebrated their fifth wedding anniversary Tuesday evening with a party at their home.

Guests for the event, aside from the host and hostess, were Mr. and Mrs. Cass Bergerson, Mr. and Mrs. Oliver Mellinger and Mr. and Mrs. William Nissen.

### Girls Have New Leader—

Wakenima Camp Fire Girls are now working under their new leader, Mrs. Dorothy Malmsten, who has replaced Miss Marjorie Gray, local teacher who has accepted a position in Hillsboro.

The girls gathered July 7 at the

Camp Fire cabin in the city park and cleaned the property thoroughly. During the past week the young ladies have been soliciting orders for cookies, funds for which will go to purchase cabin equipment.

The next meeting will be held this evening.

### Eagle Dance Success—

The Friday evening dance sponsored by the local Eagle Aerie was attended by a large crowd, reports indicate, and a sizeable fund was realized for the social committee of the local group.

### Eagle Meet Due—

A meeting for local members of the Eagles, as well as members of outside aeries, has been called for Friday evening at the Vernonia Grange hall. The meeting starts at 8 o'clock.

Members and candidates are urged to be present.

M. M. Meredith, Portland, deputy state organizer, has arrived back in Vernonia and will be stationed at the Nehalem hotel for several days, cooperating with local members in the building of the local organization. Prospective members, or regular members, are asked to contact Mr. Meredith sometime during the next few days.

### Picnic Sunday—

A joint picnic of the Green Mountain Grange of Buxton and the Vernonia Grange is scheduled for this Sunday at the Vernonia city park according to a committee in charge of arrangements. Races for young and old and two softball games are due, one for boys and the other between the women of Buxton and Vernonia. A pot-luck picnic dinner will be held at noon. Harry Culbertson, Lode McDonald and Lyman Hawken are in charge of arrangements for the affair and wish to urge everyone to come prepared to enjoy the swimming facilities of Dewey Pool.

### Arcadia Picnic Scene—

A pot-luck lunch and games were enjoyed at a picnic held at Arcadia park Thursday evening. Those attending were Mr. and Mrs. Ed Salomonsen and daughter, Margaret; Mr. and Mrs. Vern Sykes, Mr. and Mrs. Rex Pemble and children, Mr. and Mrs. O. H. Kaphammer and sons, Dickie and Eddie; and Mr. and Mrs. Dan Brutkie and son, Leo, of Carlton.

### Entertain at Camp—

Mr. and Mrs. A. L. Bransdal of Wilark were host and hostess Sunday to a group of friends at their camp home. Dinner was served.

Present were and Mrs. L. Bransdal and Tom Bransdal of Goble, Mr. and Mrs. A. J. Schultz of Vernonia and Mr. and Mrs. Gene Orwig of Wilark.

## Crop Surety Applications Are Ready

### County Committee Ready to Talk to Wheat Farmers, Report Indicates

The local Agricultural Conservation Committee is now ready to consider applications for the crop insurance program. This applies to wheat only. It is available to all farmers raising wheat, whether they be a cooperator in the Agricultural Conservation program or not.

One of the outstanding features of the crop insurance program is the fact that it covers all the crop hazards such as drought, flood, hail wind, frost, winterkill, lightning, fire, tornado, storm, insect infestation, animal pests, plant disease, excessive or deficient moisture, incursions of animals but does not include the farmers own negligence or failure to use good farming practices and failure to reseed after a winter kill if it is the customary practice to reseed in the community.

This applies to wheat seeded in the fall of 1938 and the spring of 1939 and harvested in 1939. Application must be made prior to seeding. Farmers may insure for 75 or 50 per cent of their crop. The premiums are paid in either wheat which is stored in designated warehouses or in actual cash. At the time of crop failures, the insured are redeemed in wheat or the cash equivalent of the wheat.

All who are interested should call at the soil conservation office in the Columbia county bank building where they can learn more about this program.

## Combination Of Colors to Be Changed

### Plates to Be Yellow with Black Letters, Secretary of State Says

For the first time in a number of years, Oregon automobile license plates will carry colors other than the black and white to which Oregon drivers have been accustomed according to an announcement made today by Secretary of State Earl Snell.

Proposals for purchase of the 1939 plates will call for a yellow background with black letters.

"Aside from the low cost factor, tests have proved that these two colors make the best combination for visibility, and should be an aid in safer driving," Snell stated.

The size and general makeup of the plate, including the type of figures and letters, will remain the same as in the past.

## Ross Wants 36 Miles of Power Wire

### Asks for Bids on Material Needed for High-Line Construction

Bonneville power was brought nearer to Portland and Western Oregon today when Administrator J. D. Ross called for bids on the wire that will form the backbone line of the federal network.

Approximately a million and a half pounds of high voltage transmission conductor—either copper or aluminum—will be bought for the 36-mile line that will run westward from the dam along the north bank of the Columbia river. The 220,000 volt twin circuit will connect with Vancouver, from which point lines are planned to extend southward into Portland, the Willamette valley and along the coast.

The Bonneville-Vancouver line will be one of the largest in the country, having a circumference of nearly three and a half inches. The order calls for 240 miles of conductor.

## Power Firm's Delivery Is Stolen

The Chevrolet panel delivery sedan belonging to the Oregon Gas & Electric Co. was stolen Thursday night sometime after 10 o'clock, a report by Marshal Henry King stated this week.

Manager J. W. Nichols of the company left the car in front of his home on B street Thursday evening shortly before 10, he reported, and the car was gone in

the morning.

In order to have an emergency car in event of breaks, the manager leaves the key in the ignition lock and on leaving his home Friday morning thought one of the company employees had taken the vehicle.

Checking, however, he found the car had been appropriated during the night. The theft was reported to the local police who reported to county and state officers at once. No trace of the car's whereabouts was found as late as yesterday afternoon. This is the first car theft in the locality in many months.

FROM SQUIRRELS TO

## Elephants--

See this new big-game rifle just received . . . And now you can get a gun here suited for all types of hunting on the North American Continent.
