SCAPPOOSE SHOWS HIGH ACCORDING TO DOPE—

Playing a team from Pacific University, the University's highly touted freshman outfit, Scappoose came through with the long end of a 13 to 6 score last Saturday in a game played on the Scappoose field to bring somewhat of an upset to the dopesters. Earlier in the season the 0 to 0 tie with Tillamook brought another surprise for Tillamook, a member of the no-name league, is reputed as an eleven of outstanding importance. Should these two games prove any indication of what is in store for the future perhaps Scappoose will give Rainier something to look forward to when they meet.

ON STARTING LINEUP AT OREGON STATE—

Hugh MacDonald rated a starting lineup mention Monday in The Oregonian for Oregon State college. This is MacDonald's first year with the college team and means quite a distinction considering the turnout which must be met in gaining the recognition.

RAINIER DUE HERE COMING SATURDAY

NEIGHBORING 11 TO BRING STRONG TEAM FOR COMPETITION

Rated as one of the strongest teams in the Columbia county league Rainier is scheduled for play on the city park gridiron Saturday. According to all the dope there is possibility for an upset considering the style and quality of play exhibited last Saturday by the Loggers and should such be the case by the final results it would upset all forecasts as to Rainier's leading chance for the county championship.

Not a great amount of publicity has been received locally concerning Seaside's team but by the indications of results last Saturday when Rainier came home with the long end of a 36-0 score, Vernonia will have plenty to do during the afternoon, it was thought.

Anyway there is possibility for an upset in a game that will show Vernonia fans one of the most highly touted elevens in the county.

1ST LEAGUE GAME SINCE 1936 SCORED AGAINST NEIGHBORS

Winning the first conference contest since 1936, the Vernonia Loggers came home with the large end of a 12 to 6 score over Clatskanie Saturday. The game, played on the neighbor's field, showed a team from Vernonia vastly improved after the contest of the week before with St. Helens.

The entire line, showing many weak spots before, had improved considerably and was able to make a far better exhibition as compared with the opposing aggregation.

If a chance for discouragement ever has arisen it did in Saturday's game. Vernonia received to open the game but punted to Clatskanie's Kroesin after a few plays and he returned the punt 65 yards to score first for the fishermen. The run was made through the entire Vernonia team and was just one of those things that can happen right at the start of a game. However, the Loggers tightened defense tactics immediately and were able to gain the larger tally by final whistle time.

Bill Byers and Vic LaPorte proved most active in offensive play the former starting on line plays and kicking and the latter on end runs and intercepted passes.

One 6-point count for Vernonia came following an intercepted pass and the other by a line buck.

Eilertson of Pacific University and Woodage of St. Helens officiated for the contest.

Four Sophomores Figure on Logger Squad This Season

Four sophomore students ranging in weight from 135 pounds to 170 pounds and in age from 14 to 16 are seeing regular action in scrimmage workouts and part time action in competitive play it was announced this week by Coach Paul Gordon.

Heading the list with the most experience for any sophomore regularly in suit is Jim Byers, a letterman in his first year and a regular in this year's eleven. Byers, age 15 years, weighs in at 160 pounds and sees service as a blocking backfield man and as ball handler under the offensive system used here. He shows most promise now and still has two years play following the present season. He is one of the best defense men and can work in the line if need be.

Bill Duncan has started play for the first time this year and is use-

ful at guard position and in the backfield. He is light and fast and has developed considerably as a tackler considering this to be his first year of turnout and by next season should prove valuable as a regular. Bill tips the scales at 141 and is 14 years of age.

Darral Errand, age 15 and weighing 170 pounds, also began his first year this fall with the squad and although starting late for first-of-the-season workouts has proven reliable in play even though lacking in experience. He holds the position of reserve tackle.

Harry Henderson completes the sophomore turnout list according to Coach Gordon. Henderson, weighing in at 135, has proven somewhat light for regular play but has exhibited plenty of fight and is shifty. This is his second year with the squad in both backfield and end positions. He is 16 years of age.
