### Kibitzer Due Here Today at Temple

Sam Gordon, The Kibitzer, is due here this week for a three-day session of instruction at the Masonic Temple relative to lessons on the playing of contract bridge with illustrated hands. He will be here January 12, 13 and 14. Advance sale of tickets for the series is being handled by members of the O. E. S. Social Club, sponsors of the affair. When he talks on bridge to an audience one of the first things he tells them is that players can use as many words as they like to talk about their operations but only 15 words are allowed to be used to talk about their hands. Those 15 words are one, two, three, four, five, six, seven, clubs, diamonds, hearts, spades, notrump, pass, double and redouble.

port being that of Miss Evelyn Cook concerning the subject of the European situation. Miss Cook is chairman of the international relations committee.
