News of the Theatre

YOUTH'S BATTLE WITH CONSCIENCE IS THEME—

The silent conflict between an orphan and his own conscience, is the basis of RKO Radio's dramatic offering, "Two Thoroughbreds."

Alone in the world except for a greedy old uncle and an avaricious aunt on whose ranch he labors, the lad leads a lonely existence until he finds a lost colt. Against the wishes of his miserly uncle, the boy raises the horse, unaware of the fact the animal is the foal of a thoroughbred brood mare stolen by crooks from a nearby ranch.

His friendship with the daughter of the wealthy ranch owner leads to his realization that his beloved colt belongs to the girl's father. Torn between his love for the animal and his duty to return it to its rightful owner, the young boy is frantic. How the young girl shows him the way to solve his problem leads to the suspense-laden conclusion of this poignant drama of youth.

STAR POPS CORN 'N LATEST ROLE—

Donald Barry is a "popcorn popper" in "Calling All Marines," Republic melodrama which comes Saturday to the Joy Theatre.

Barry portrays Blackie, a tough young hoodlum who enlists in the marines in an attempt to steal government plans but who is reformed by a "swell bunch," his fellow marines.

The "popcorn popping" is part of Barry's characterization. He is always carrying popcorn and flipping it in his mouth as he speaks or while listening to others talk. "It's not a means to help me steal scenes," explained Barry. "It's just that I thought a nervous hoodlum would surely indulge in some such action to let off steam or release nervous tension. So I suggested the popcorn gag and Director John Auer snapped it up. Thus, I pop popcorn in the picture."

TECHNICOLOR DRAMA POPULAR PICTURE—

"Northwest Passage," the Spencer Tracy starring technicolor story of Rogers' Rangers as told in Kenneth Roberts' famous novel finds Tracy playing the valiant Major Rogers,

who leads his men on an arduous journey to St. Francis to wipe out hostile Indians.

Robert Young earns his right to stardom as Langdon Towne, a young fellow expelled from Harvard who is forced to leave Portsmouth for political utterances unfavorable to the crown.

Along with "Hunk" Marriner, his woodsman friend, admirably played by Walter Brennan, Young goes with the rangers to paint Indians. Experience of this band of skilled fighters is almost exhausting to viewers. They face all the hardships of the wilderness and come near starvation before returning to Fort Wentworth.

"EVERYTHING HAPPENS AT NIGHT"—

Sonja Henie's latest 20th Century-Fox picture is thrillingly different from anything this famous star has yet done on the screen and makes plus entertainment for anyone. With the aid of Ray Milland and Robert Cummings, who as a pair of enthusiastic young reporters after a big scoop fall for Sonja simultaneously, there is an excel-

lent comedy note injected. The timely story centers on an exiled statesman startling the world with his revelations and pleas for peace from his Alpine hideaway.

THRILLING STORY ABOUT 6 WOMEN

Rich in drama, abundant with humor, "A Child Is Born," is the frank and thrilling story of six women, each on the brink of their greatest experience.

Startlingly realistic, yet presented in the finest possible taste, "A Child Is Born," is a beautiful story of five women on the brink of their greatest adventure in life, some meeting it joyously, some with rebellion and hatred. Geraldine Fitzgerald, the sensational dramatic discovery of the year, whose role in "Dark Victory" and "Wuthering Heights" won immediate acclaim for the slender, dark-haired Irish actress, heads the cast, and the role of her husband is played by Jeffrey Lynn. Other leading roles are played by Gladys George, the lovely blonde stage and screen star and Gale
