THE CROSS

For generations the cross was an emblem of sorrow, pain and death. Thieves, murderers and other transgressors of the law paid the penalty for their crimes in crucifixion on the cross.

It was not until after the crucifixion of Jesus Christ that the cross ceased to be an emblem of shame. It became the insignia of Christian society with the promise that whosoever looked upon the cross and believed would have life abundant and eternal.

Sunday, March 24, is Easter in every Christian church throughout this country. Ministers will tell again the story of life, death and resurrection of the same Jesus who changed the cross from one of death and disgrace to one of life, honor and glory.

You are invited to attend church somewhere Sunday. A welcome awaits you. You will hear a message that will help you bear your cross without complaint.
