## Trout Season To Open April 13th

### Anglers to Have Opportunity to Try Luck in Few Days

A week from Saturday of this week, Saturday, April 13, marks the opening of the trout season in Oregon, the season continuing until October 15, inclusive.

A number of regulations have been imposed by the Game Commission for the control of fishing. All residents over the age of 14 years must have a license to hunt or angle. In Columbia county a number of streams have been closed to angling as follows:

Tide creek; all tributaries of the Nehalem river except Rock creek; all tributaries of Rock creek; all tributaries of the Clatskanie river above the mouth of Conyers creek; all tributaries of Beaver creek; that part of the North fork of Scappoose creek and tributaries above the Columbia river highway; that part of Milton creek between Taylor's dam and its source closed to all angling to and including April 12, 1940, and from October 16, 1940, to April 12, 1941, both dates inclusive.

Further rules established by the commission are: It is unlawful to angle at any time between one hour after sunset and one hour before sunrise; to fish by any means other than with hook and line; to use more than one line or line and rod held in the hand; to use more than two blades on a spinner for lake or stream fishing; to use more than three hooks on a line except on floating bass plugs; to sell, or offer for sale or exchange any fish taken with hook and line; to transport or ship game fish without a written permit; to fish without a license on demand; to angle within 200 feet of any fishway; to waste wantonly game fish or allow others to do so; to angle on private land without permission from owner; to net, trap, spear, gaff, club, or shoot fish; to resist or interfere with the duties of any officer enforcing the game laws; to cast into or allow to be cast into any stream or other body of water in Oregon, sawdust or other lumber waste, dye, chemical, decaying substance (including mold, decomposed, sour or spoiled salmon eggs) or to use dynamite or other explosives or any poisonous substance in any such waters; and to fail to make a report to the State Game Commission of all game fish taken during 1939 at time of making application for 1940 license.

## Handicap Rifle Match Slated April 7

### Indoor Meet of Marksmen Slated at Oregon Gun Club Range

Rules and regulations for the Indoor Handicap Rifle Match of the Columbia-Willamette Rifle League were received here this week for the staging of the match to be held Sunday, April 7 at the Oregon Gun Club Rifle Range in Portland.

The match is open to any individual or 7 to 10-man team who has shot five or more matches in the Indoor Rifle Tournament of the league in the 1939-1940 season. The course will be 10 shots prone, 10 shots sitting, and 10 shots standing for the record; sighting shots optional, but must be fired on sighting bull if taken.

Standard 50-foot rifle target will be furnished by the league; only one shot to be fired at any record bullseye; nine minutes per string including sighting shots. Arms may be any .22 calibre rim-fire rifle. The entry fee is 50c per individual for all three positions and the grand aggregate or 25c for any single position. Team entry fee is \$1.00 per team. Other rules were given for the contest and are obtainable from J. W. Nichols.

## SECOND SOFTBALL MEET SET FOR APRIL 4TH

A second meeting for softball enthusiasts, players and managers, is slated for Thursday evening of this week at The Eagle office at 7:30 p. m. as has been requested by several present for the first meeting last Thursday. No definite plans for the season were discussed at the first meeting but consideration was given to the possible playing field back of the Washington grade school and the date when league play could begin.

## Forest Grove, Troutdale Win Matches

### Vernonia Gun Club Loses Two Trys During Past Weekend

Both Forest Grove and Troutdale won rifle matches from the Vernonia Rifle Club, the former Friday night, March 29 and the latter Sunday, March 31.

The Forest Grove match was the last of the sitting-standing affairs of the season and it was generally concluded that shooters were glad of that. Five high scorers for Vernonia were Nichols, 181; Zimmerdahl, 178; Mellis, 178; Culbertson, 167; and Kellmer, 165, to total 863. Forest Grove scored 388 for the evening.

The Troutdale club reputedly the argest in the United States with membership of 346, won by a core of 874 to Vernonia's 867. High scorers for Vernonia were Zimmerdahl, 182; Mellis, 172; Nichols, 172; Kellmer, 171; and Fetsch, 170.

## Track Team Makes Good Showing Fri.

The Vernonia high school track team was in Portland, Friday, March 29, to run in the Hill Military track meet held at the ice coliseum. Friday afternoon the sprint medley was run between A and B class teams. Each team was required to run against time, the four making the best time being qualified for the finals to be run in the evening. The Vernonia team was entered as an A class team and failed to qualify by one tenth of a second.

Friday evening the Vernonia team ran the district medley to make a favorable showing for itself.

This being the first track meet of the season gave the boys hopes of winning this year. The sprint medley team consisted of Edgar Culbertson, Philip Mellis, Clair Sunell and Cloice Hall. Runners on the district medley team were Edgar Culbertson, Philip Mellis, Clair Sunell and Homer Michener.
