

### FIRST STANDINGS OF THE BIKE CANDIDATES

Each active candidate in this campaign is sure of winning a prize bicycle or a cash commission as only as many candidates will be allowed to be active in this campaign as there are prizes and cash commissions.

The candidates are separated into two districts. Those living outside the city of Vernonia are in District Number One, and those living inside the city limits of Vernonia are in District Number Two, but any candidate may secure subscriptions from anyone, anywhere.

There are two first prizes—the high candidate in each district will receive one of the District Capital prize bicycles. The other prize bicycles will be given to the candidates, regardless of which district they are in, having the next highest number of votes. The active candidates who do not win one of the prize bicycles will each receive a cash commission equal to 20 per cent (one fifth) of all money he or she has turned in for subscriptions.
