Vernonia Loggers Capture Win Over Nehalem Eleven Fri.

Score Count at Game End 19 to 0; Sunnell Credited with 2 Touchdowns

The first Logger full-length football encounter of the season ended with Vernonia the victor last Friday against the Nehalem football eleven. Three touchdowns and a point conversion totaled 19 to Nehalem's zero. Two-time scorer was Claire Sunnell. Robert Roeser carried the ball for the other touchdown.

Vernonia Gets Kickoff

The game opened with Vernonia receiving the kickoff from Nehalem, Sunnell taking the ball and being downed on the 23-yard line. The next play saw Choice Hall go around left end to the 50-yard line. Sunnell again carried the ball to Nehalem's 20-yard line and Duncan furthered the advance to the 10. Sunnell stepped across right end for the first tally. Roeser failed to convert with a kick.

Nehalem received but could make little headway. Nehalem's right half did break through for short gains but couldn't reach clear territory or a touchdown. Passes were tried and three or four completed before the Loggers clamped down.

No Score

Vernonia failed to score in the second quarter although good gains were made repeatedly by the Loggers. Penalties, especially on the Loggers, were frequent.

Nehalem received at the opening of the second half and returned the ball as far as their 40-yard line where a pass was tried, was blocked, and swooped up by Roeser, Logger end, who ran for the second touchdown. Point was converted to give Vernonia 13.

Nehalem's greatest scoring threat came in the third period when the Loggers were backed to their own 10-yard line and Nehalem made first down. Four more tries by Nehalem failed to push through a stiffened Logger line to the end zone.

Thrill of the Game

The fourth quarter gave fans the thrill of the game when Sunnell completed a 65-yard run through Nehalem's right tackle for the third touchdown. Point conversion failed and the game ended 19 to 0. Vernonia's second team played the last few minutes of the game.

Vernonia's starting lineup was:
 Robert Roeser left end
 Jack McDonald left tackle
 Mid Crawford left guard
 Bill Templeton center
 Fred Thompson right guard
 Jack Olin right tackle
 Bernard Lamping right end
 Edgar Culbertson quarterback
 Claire Sunnell left half
 Bill Duncan right half
 Choice Hall fullback
 Reserves: Tindall for Crawford; Lusby for Sunnell.

Golfers to Meet at Seaside

Match Between Seaside, Vernonia Teams to Be First for Several Years

A golfing match between Vernonia and Seaside is slated for the coming Sunday, September 29, at Seaside, it was announced Wednesday by Homer Michener, manager of the Vernonia course.

Michener was busy Wednesday attempting to make necessary arrangements for the competition. The Sunday match will be the first with Seaside for several years, it was stated.

The team from Vernonia will comprise about 16 players. Tom Bateman will captain the team.

St. Helens Due Here Fri.

The reputedly powerful St. Helens football eleven is slated to make an appearance in Vernonia Friday afternoon to give the Loggers competition in their second season game.

The St. Helens team strong men are Jensen, Baker and Jones in the backfield and Wir's on the line. Last week's game gave St. Helens a win of 50 to 0 over Hill Military Academy of Portland. Much of that game's scoring came through passing and expert blocking, it is reported.

The game here Friday is timed for 2 o'clock.

Antelope Season Open Sept. 29

Competition between hundreds of nimrods and some 25,000 antelope in Oregon will begin on September 29 and continue through October 6th.

Special antelope tags authorized by the Oregon State Game commission are still available and can be procured by application to the Portland office of the commission. During the 1939 antelope season hunters who indulged in this sport were 82% successful, even though the antelope is the fleetest of all animals, some experts insisting that they can even outrun the swiftest of race horses.

The antelope territory embraces the greater parts of Lake, Malheur and Harney counties and under the law sportsmen can bag one of either sex. Checking stations will be established at strategic points and all hunters must check in and check out. It is important to know that hunters must check out even though they are unsuccessful in bagging an antelope.

Contrary to the opinion of many, antelope meat is extremely palatable, providing it is properly cared for. In this connection, one experienced antelope hunter gives this tip to hunters of this animal:

"After the antelope has been skinned, the sportsman should take a clean cloth and wipe off all stray hairs that are on the carcass. This is very important in keeping the meat in good condition."

New Manager In Store Named

WILARK—(Special to The Eagle)—Mrs. Stanley Olson and Betty were Vernonia shoppers Saturday.

Dorothy Hanna visited Mrs. Warren White Saturday afternoon. Mr. and Mrs. Speck Ford left Thursday for a vacation. They were planning on visiting in Southern Oregon.

Announcing the big NEW FORD 1941 FORD

In some years, some cars take a big jump ahead. *The Ford does that for 1941.*

It has jumped ahead in size. It's the *biggest Ford* we've ever built, *inside and out.* It's *wider.* It has a *longer wheelbase.* Its seating room is *wider* by as much as 7 inches. It has *new wide doors* and *semi-concealed running boards.*

You'll notice also a new beauty, achieved by a skilful blending of mass with *longer flowing lines.* *Larger windshield and windows* give better vision all around.

One of its biggest advantages is the *new soft ride.*

New, slower-action springs give a slow, gentle, gliding movement. A *newly designed stabilizer* helps absorb road shocks, and maintains balance on sharp curves and in cross winds.

More rapid acceleration to match its familiar speed and power makes this new Ford an even livelier car to drive.

These are only a few of this new car's outstanding features. It represents all the rich experience gained in building more than 28 million motor cars.

Any Ford dealer can give you many good reasons for making this your 1941 car.

Get the Facts and You'll Get a Ford!
