Special Values During National Apple Week

We're bringing you these values as our part of the National Apple Week Celebration—October 31 to November 6th.

GLAZED CARROTS AND APPLE RINGS
8 medium size carrots 3 tbsp. fat
4 medium size apples 1/3 cup brown sugar
1/4 cup water
Juice of 1 lemon Pinch of salt

Scrape and cook the carrots in boiling salted water until tender. Drain and store in the refrigerator until evening. Core and cut apples into slices 1/2-inch thick. Do not peel. Sprinkle with lemon juice to prevent darkening. Cover and store in refrigerator. Now for the glazing. Melt the butter in a skillet and add the sugar and water. Add cooked carrots, apple rings and lemon juice in which they marinated. Simmer gently, turning carrots and apple rings occasionally until they are nicely glazed and tender. It is important to keep the heat low to prevent caramelizing the sugar. For serving slip each carrot through an apple ring and serve around chops or corn beef hash.
