

**UNCLE SAM'S SAILORS ON HORSEBACK
SEE PANAMA FROM THE SADDLE**

No, the U. S. Navy doesn't have a cavalry unit, but many a sailor straddled leather before giving up his bucking broncho or plow horse for the bounding main.

The sailors in whites above are seamen in the U. S. Naval Reserve on shore leave in Panama. No distinction is made between sailors in the Naval Reserve and those in the regular Navy. Enlistment in the U. S. Naval Reserve is for four years, but all men enlisting in the Naval Reserve will be released to inactive duty as soon after the na-

tional emergency as their services can be spared, regardless of the length of time remaining in their enlistment. If the emergency ends within a period of several months, those enrolled in the Naval Reserve will not be required to complete their 4 year term in active service.

Opportunities for advancement, to learn skilled trades, for travel and adventure are identical whether a man enlists in the regular Navy or the Naval Reserve, and his pay, food, clothing, medical and dental care are the same.

**Book Call Sounded J. E. Tapp Named
For January 12 On Seed Committee**

Books by the million will change hands in the National Defense book campaign scheduled to start Monday, January 12, when readers in homes throughout the land will share the books they have enjoyed with soldiers, sailors and marines.

The campaign, sponsored by the American Library association, American Red Cross and United Service Organizations, seeks ten million books for U. S. O. houses, Army "doyrooms," ships, Naval bases, etc.

The campaign will be conducted in Vernonia as well as elsewhere. Mrs. Lee Engen, librarian, stated Tuesday and those who have books and can give them are asked to bring them to the library where they will be properly forwarded.

The kinds of books to be collected vary widely. Soldiers and sailors are eager for up-to-date technical material to help with their problems as well as books on current affairs and plenty of good fiction. Donors are asked to write their names and addresses on the books they give.

Chancellor to Visit

M. M. Ewen, Grand Chancellor of the Domain of Oregon, will pay an official visit to Harding Lodge, Knights of Pythias on Monday, January 12, it was announced this week. John Foote, St. Helens, Past Grand Chancellor, is also expected to visit the lodge on that evening.

The growing importance of Columbia county as a seed-growing area is emphasized by the list of committee appointments to the coming meeting of the Oregon Seed Growers League to be held January 15 and 16 at Corvallis, according to George Nelson, county agricultural agent.

J. E. Tapp has been named on the committee for winter clover crops; Martin Hoven and E. E. Wist, Scappoose, on vegetable seeds; Art Youngman, Warren, on seed grading, testing, and warehousing; and W. E. Dusenberg, Clatskanie, on condiment and medicinal herbs.

**Licenses for
Dogs Due Soon**

Owners of dogs will soon have to pay licenses for their animals according to an announcement made this week by City Marshal A. D. Lolley who is charged with collecting the annual charge from owners. The licenses must be purchased by owners by March 1st, it was stated, or pay a penalty of \$1.00 thereafter. The licenses cost \$1.00 for males and \$1.50 for females.

Small Fire Reported

A fire alarm Monday at 1:15 took Vernonia volunteer firemen to the John Glassner home where an overheated flue was responsible for a small fire. Little damage to the home was reported.

**Vernon Williams Enrollment Up
At High School**

A new correspondent for The Eagle in the person of Vernon Williams is announced this week.

The enrollment of five new students, three boys and two girls, has increased enrollment at the Vernonia high school to the largest figure in the history of the school, it was announced this week. The five new students bring the total number enrolled to 247.

**Friday Competition
Is Rainier Team**

The Vernonia Loggers will play their first conference basketball game of the season Friday evening when they meet Rainier there. The game will be the hardest of the season according to the "dope" available here on the strength of the Rainier team.

The Loggers met the Pacific University freshmen here Tuesday evening and were defeated by one point, 29 to 30.

**Tuberculosis Still Remains Greatest Health Obstacle
Among Working Men Between 25 and 45**

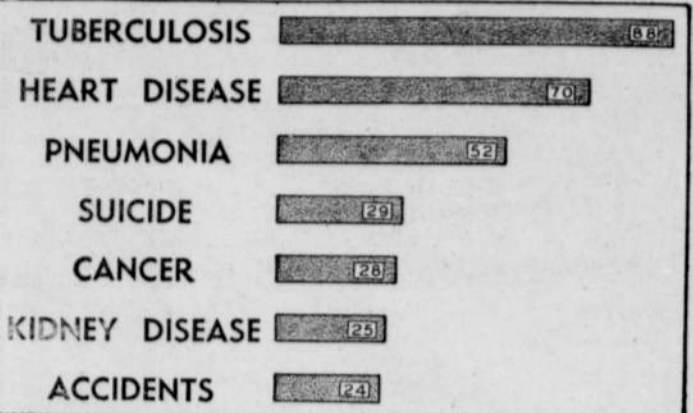

Chart (above) shows that tuberculosis kills more men between 25 and 45 than any other cause. Eighty-eight out of every 100,000 working men die of tuberculosis. Figures represent deaths per 100,000 working men each year.

Money Still Due

Remittances are still coming in and some are still due for the 1941 tuberculosis Christmas Seals Mrs. Paul Gordon stated Tuesday. Those who have not forwarded the necessary amount are asked to do so as soon as possible.

**State-Wide Events
To Be Reported**

Official and unofficial events in Salem and Portland having state-wide interest will be reported from a strictly non-partisan viewpoint for The Eagle in a weekly column written by Vernon Williams, experienced writer and commentator, who has covered the legislature for many sessions and whose legislative column from the state capital appeared in a large number of Oregon papers last year.

Below the surface, in both Portland and Salem, there is always a succession of plans, movements and other matters ultimately affecting the entire state which seldom find their way into press dispatches and of which rural dwellers have no means of gaining information. It will be the purpose of this column to report these matters fully, giving the "low-down" on the aims and intentions of men and measures of concern to the people of Oregon but which heretofore have had little publicity until their ends have been achieved.

It will not be a political column, or a scandal column, but a veracious and dependable account of things which the people have a right to know; an honest job of reporting, free from the personal opinions of the writer or influence from any source inimical to the welfare of the state.

Mr. Williams' column will appear in The Eagle each week beginning with the issue of January 15.

**Officers to Be
Elected Tuesday**

An election of a board of directors to serve for the coming year is on the schedule for the next meeting of the Vernonia chamber of commerce Tuesday noon, January 20th, at the Terminal Cafe, Dr. U. J. Bittner, president, stated this week.

From the five men elected to the board will be chosen the officers to serve for the coming year.

Death Reported

The death of Hattie Murphy, negro, was reported January 2 at Vernonia by the Bush Funeral Home. She was born March 4, 1909, at Orange, Texas, and passed away at the age of 32 years. She was married to Ezeb Murphy who, with a son, reside in Orange, Texas. A sister, Bertha Butler of Portland also survives. Funeral services were held in Portland January 5th and burial took place in Portland.

College President Due

Dr. William G. Everson, president of Linfield College, will be a speaker in Vernonia this afternoon, Thursday, and evening. In the afternoon he will speak to the high school student body at 2:45 and in the evening to the combined brotherhoods of the Evangelical, Christian and Assembly of God churches at 6:30. The Evangelical brotherhood will act as host to the other churches, it was announced.

Examiners Scheduled

A traveling examiner of operators and chauffeurs is scheduled to arrive in Vernonia Thursday, January 15th, and will be on duty at the city hall between the hours of 10 a. m. and 4 p. m. All those wishing permits or licenses to drive cars are asked to get nitouch with the examiner during those hours.

Sewing Unit to Meet

The Red Cross sewing unit will meet at the I. O. O. F. hall Friday of this week from 9 a. m. to 4 p. m., an announcement states this week.

Chance for a bright idea

There's only one reason why so many people use advertising—they haven't found a cheaper way to do what advertising does.

And what it does is save time in finding enough customers to keep factories and stores busy.

There's a chance here for a bright idea.

But it's got to be mighty good. Advertising is.
