

Let's Be Sociable

Social Events Many At School End

Social events have been many at Vernonia high school during the last two weeks of classes.

Most obvious event was the seniors' skip day, which they observed Friday by disappearing at 10:30 to Big Eddy park. Before dinner time the class of '43 had a treasure hunt in the hills behind the park. Until the seniors left at 3:30, the afternoon was spent in playing softball, both the boys' and the girls' teams claiming victory.

That evening the Girls' Athletic association sponsored a social evening at the high school gym, where they entertained the basketball boys with dancing and games. Refreshments were served in the home economics room.

During the activity period on Wednesday of last week the drama club enjoyed quantities of ice cream and cake, while on Monday the Timberline paper staff celebrated its last meeting with ice cream, cake and pop.

Tuesday night the junior and sophomore classes had picnics.

Eastern Stars Observe Mother's Day

"Mother's Day" was observed by the local Eastern Star chapter when it met Wednesday evening, May 5. Following the business meeting a program of special music was heard. This included two duets, "Mother of Mine," and "Mother McCrea," by Mrs. Herman Dickson and Mrs. Oscar George, and a piano solo by Mrs. Sam Hearing, Jr.

Grade Teachers Have Party Monday Night

About thirty people were present Monday night at the Walter Mathews home, where a party was given for Washington and Lincoln school teachers. Mrs. Walter Mathews and E. H. Condit were hostesses.

E. H. Condit, retiring Vernonia

grade school superintendent, was presented a pair of farmer's overalls and a fertilizer fork because of his future occupation. The teachers also gave him a hunting scope for his rifle.

Following a buffet supper featuring Mexican style food, India and Tripoli were played.

Rainbow Installation Scheduled for May 24th

At a meeting of the Rainbow Girls Monday night, Jonnibel Hatfield was elected worthy advisor and will be installed, along with other officers, at a public installation on Monday, May 24 at the Masonic temple. Other officers elected were: Gwendolyn Graves, worthy associate advisor; Lillian Laird, Charity; Nina MacDonald, Hope; Helen Fowler, Faith; and Evelyn Hearing, recorder. Appointive officers were also chosen.

The organization plans to sell tickets for a card table and luncheon set which will be displayed in the window at Peggy's Apparel shop. The girls have turned in a large number of cards for use at the Tongue Point recreational room.

Two resignations were made at the meeting—Betty Olson, recorder, is to work in Portland; and Frances Cantwell, Faith, who is to be married this week-end.

Christian W.M.S. Elects Officers

Mrs. W. O. Livingstone was elected president of the Women's Missionary society of the Christian church Friday night when the society met at the home of Mrs. John Junkin on the O-A hill.

Other officers elected were: Mrs. M. L. Herrin, vice-president; Mrs. Bruce Knoedler, secretary; and Mrs. Robert Tunnell, treasurer.

Husbands Are Guests At Club Supper

The home of Mr. and Mrs. Judd Greenman was the scene May 6 for the evening in which the Vernonia Study club members entertained their husbands.

A buffet supper was served and a delightful program of games and group singing was enjoyed throughout the evening. In charge of the plans were Mrs. William Henth, Mrs. Richard Fletcher, and Mrs. Glenn Ely, program committee; and Mrs. J. W. Nichols, Mrs. Ben Brickel and Mrs. Judd Greenman, the social committee.

On May 20, the club has its meeting at the home of Mrs. A. J. Hughes with Mrs. Marvin Kamholz as hostess.

Gas to Be Allowed For Garden Travel

Victory gardeners planning to cultivate plots in suburban areas or in the country distant from their homes will be eligible for special rations of gasoline this summer if they can show need for extra mileage, the office of price administration announced.

OPA is amending its mileage rationing regulations to provide up to 300 miles for victory garden travel if the car owner:

1. Is regularly cultivating a tract of 1500 square feet or more devoted to the production of vegetables.
2. Can show he cannot get to his garden any other way and that his labor is necessary for the cultivation of the garden.
3. Arranges, if possible, to share his car with other gardeners to reduce the amount of additional mileage that will be necessary.

NOW . . . It's Polite to Point

Rationing makes pointing very necessary; that is, deciding how you can best spend your points. We'll be glad to help you "point" to the best advantage. Buying unrationed foods such as fresh fruits and vegetables and cereals will help to stretch those points.
