## YOUR CAR NEEDS MORE THAN TIRES!

No, sir, you can't go to work on tires alone. Of course, you want to save your tires, but be sure your entire auto is cared for. When any trouble develops, have it taken care of at the Vernonia Auto garage. Regular check-ups will help, too.

You're not going to get a new car, so take care of the one you have. Yes, take care of your tires—and that automobile which makes them go 'round.
