

Drawings Due For Special Tags

Applications for special doe deer and cow elk tags are coming in rapidly according to the Oregon state game commission, particularly for the Grant county doe deer and the northeastern Oregon cow elk areas. For the latter two areas, at least, it appears that the quota will be oversubscribed by August 16, which will necessitate a drawing to determine to whom tags are to be issued. Anyone wishing to participate in the drawing must have his application in the office of the game commission before five o'clock the afternoon of August 16. The drawing will then be held at ten o'clock, Thursday morning, August 19, at the game commission offices in 616 Oregon building, Portland.

For those areas for which no drawing is necessary, tags will be issued for the applications on hand and thereafter applications will be filed in the order received until all tags are issued.

One Area Allowed

For the Grant county doe deer area 2,000 tags will be issued; for the Steens mountain area, 1,000 tags; and for the Lake-Klamath area 6,000 tags. Applications may be made for only one of these three areas. Open season is from October 1 to November 3.

In addition, one may apply for either a buck or doe deer tag or for both for the federal Hart mountain reserve special deer hunt from October 9 to 24. There will be 250 buck deer and 400 doe deer tags issued for this area.

There will be 2,000 cow elk tags issued for the Minam-North Powder-Wenaha area. Open season is from October 26 to November 3.

Antelope tags will be limited to 5,500 and the open area is in certain portions of Lake, Harney and Malheur counties. Open season is September 18 to October 3.

Fees for Tags Listed

Fees for the special tags are as follows:

	Resident	Nonresident
Doe Deer	\$3.50	\$5.00
Hart Mtn	3.50	5.00
Cow Elk	5.00	25.00
Antelope	2.50	5.00

Printed copies of the official synopsis of the hunting regulations as well as of a map showing the special doe deer, cow elk and antelope areas and the closed army maneuver area will be available at all license agencies throughout the state about August 15.

McCoy's Have Girl

Mr. and Mrs. Mason McCoy of Portland are the parents of a girl, Margaret Ann, born July 31 at the St. Vincent hospital in Portland. The infant weighed 7 pounds 11 ounces. Mr. McCoy is former coach at the high school here, while Mrs. McCoy is the former Pauline Christian.

What You Buy With WAR BONDS

Prevents the "Bonds"

Before our fighting pilots take to the air for stratosphere flying they must be "suped-up." To do this the pilot just before he takes off pedals a stationary motor driven bicycle to reduce the amount of nitrogen in his blood. Otherwise gas bubbles would collect in his blood stream.

The stationary bicycle is an expensive piece of equipment, but the vast quantities of this and other materials of war make it imperative for all of us to keep our fighting men well supplied by greater and greater purchases of War Bonds.

Ball Field Here In Good Condition

The ball field at the city park here is in the best shape it has ever been, according to W. W. McCrae, principal of Vernonia high school. He anticipates that it will be the best football field in the county this fall.

The field's excellent condition is due to several factors, he said. Considerable work, including filling and seeding, was done this spring; it has been mowed and kept in good shape all summer; and no activity has taken place there this summer. This is the first summer the field has been free.

Those Who Are In It

George Bishop, who is stationed in Portland with the coast guard, and his wife, the former Betty Thacker, visited here Saturday night. As he is on leave they went to the beach to spend several days.

DeLoss C. Powell, who enlisted in the navy in May and who has had his boot training in Virginia, has been sent to Davisville, Rhode Island for advanced training. While in Virginia he was presented a "Life Membership in the Seabee Masonic club." He also visited lodge at the place of the first Masonic lodge in the U.S.A. in Williamsburg, Virginia. George Washington was master and his jewel is still there; the lodge hall is just the same as when he was master.

PO/3c Ellis Austin was here from Tongue Point Wednesday of last week.

O. T. Bateman, 1/c specialist (mail), in the Seabees, was transferred several weeks ago from Camp Perry, Virginia to Davisville. He has been at the Sun Valley rifle range for a week or so, but will leave soon. He may have a chance to come home.

Word recently received from Melvin Powell, A.M.M. 3/c, a petty officer in the navy, by his parents, Mr. and Mrs. Virgil Powell, states that he is fine and enjoyed a nice trip from the United States. At the time of his writing he was held over for a few days at a small island in the Southwest Pacific, and enjoyed going out in the jungles with the natives picking bananas and coconuts. He said the ones they gathered were so green they had to trade with the natives for ripe ones, and that the natives were very friendly and liked to have them come and visit them.

Melvin says "hello" to all his friends, and would enjoy hearing from them. His address is: L. M. Powell, A.M.M. 3/c, Navy No 131 F.F.T., By Com. Ft. Air, c-o Fleet Post Office, San Francisco, Calif.

Fred L. Lusby, son of Mr. and Mrs. C. Lusby, and Calvin J. Sasse, son of Mrs. James Cox, are Vernonia men who began training at the U. S. naval training station at Farragut, Idaho this week.

Now a second lieutenant in the quartermaster corps of the army, Hugh Caton, son of Mrs. Cleo Caton, arrived here Tuesday to spend a week's furlough. Lt. Caton received his commission July 30 at Camp Lee, Virginia after completing officer candidate school there. The young officer entered the army last December and was stationed at Ft. Warren, Wyoming until April, when he was sent to Camp Lee. He began training, which he described as "very thorough," on May 1.

Hugh says he is very glad to be home and to have a chance to see all his friends.

HELP THE HOME FRONT

Help hold the home front by preventing forest fires. They are a military threat that might turn to disaster.

Diamond Ring Won

A diamond ring is on its way to Mrs. Glen Gibson as a prize for her song entry on the "Million Dollar Band" radio program of Saturday night. The song and the reason why it is one's favorite is sent in and winning entries are played on the program. Mrs. Gibson's song was "Sunday, Monday, or Always."

Midsummer garden plates

Now's the time of year to take a careful look at the fresh vegetables on the market, for varied menu inspiration. The ways you can serve these garden treats are almost limitless—and they do wonders for lazy appetites.

COMBINATION SALAD PLATE—A whole meal on one plate! Arrange shredded greens on large plates. Lettuce, other salad greens, or crisp, raw spinach may be used. In the center of each plate, place large tomatoes hollowed out and filled with chopped egg, meat or chicken salad. Around the tomatoes, arrange a circle of chilled, cooked peas, then another circle of sliced, pickled beets. Pass the salad dressing separately. Hot cheese biscuits or toasted cheese sandwiches are delicious with this. And custard or pie fits in well for dessert.

MIDSUMMER PLATTER—At one side of a large, heated platter, place pastry shells filled with creamed, sliced, hard-cooked eggs and peas. In separate groups place mounds of sauteed, shredded cabbage, broiled tomato halves and broiled fresh peach or apricot halves. Serve with toast or crackers, and follow with a fruit bread pudding.

HOT WEATHER SALAD PLATE—Place in separate lettuce cups a generous serving of potato salad, chopped spiced beets and cottage cheese, and cooked, green string beans. Garnish with cucumber and carrot strips. Serve your favorite dressing separately, and pass a plate of oven-hot muffins. Apple pie and cheese will polish this meal off.

Increase Noted In Motor Vehicles

Motor vehicle registration in Oregon amounted to 395,007 units at the end of the first six months of this year, Secretary of State Bob Farrell disclosed this week. This is a decrease of slightly more than one percent from the registration a year ago.

Trucks and busses continued to show increases over last year. Trucks this year total 39,650, an increase of nearly four percent over last year's figure. Busses totaled 1,006, an increase of 31 percent.

Private passenger cars numbered 319,008, a decrease of 6,690 vehicles.

Total motor vehicle registration fees for the first six months were \$2,969,635.04.

Sent to Hospital—

John Wilcoxon was sent to the Portland General hospital with a fractured clavicle and four other fellows were cut and bruised when their car left the highway and turned over not far from Natal, between Vernonia and Mist late Saturday night. The car was almost a complete loss.

Advanced Class In First Aid Due

An advanced first aid class will begin this Friday night at the Legion hall. Instruction will begin at 8:00 p.m. with Lee White as instructor. The course will take five nights—this Friday, Tuesday—August 10, Friday—August 13, Tuesday—August 17, and Friday—August 20.

Anyone having had the standard first aid and who desires the instruction, particularly to meet civilian defense requirements is invited to take the course.
