### Solomon Island Book Reviewed at Club Meet

"Headhunting in the Solomons" is the title of the book reviewed by Mrs. Orle Robbins last Thursday evening at the

meeting of the Vernonia Study club. The book, written by Carolyn Mytinger, tells of the author and her friend, Margaret venturing into the Melanesian islands so that the former, a student of anthropology, but foremost an artist, might paint natives.

Their experiences with climate, insects, and the natives are cleverly written with a humor that only the adventurer can express.

At this meeting for which Mrs. Paul Gordon was hostess, a new member, Mrs. F. J. Tousey, was welcomed.

"Western Star" by Stephen Beut will be reviewed by Mrs. Judd Greenman on December 2. Mrs. W. G. Heath is the scheduled hostess.
